

On Tuesday afternoon the Revs. James Thomas, George Neal, three Deacons and a number of Brethren proceeded to the New Road Settlement to organize a Church there, according to their request, which had been duly considered by sister churches. The Rev. James Thomas read appropriate passages from the divine Scriptures of truth, and addressed the brethren from the same. Hands being joined in hands, the organization prayer being offered up by the Rev. George Neal, right hand of fellowship was given by Rev. James Thomas to Deacon Joseph Smith sen'r. in behalf of the newly organized Church.

On Wednesday morning might be seen, at almost every dwelling and on the road side, friends taking the parting hand,—highly satisfied and pleased with their visit, and the proceedings of the Association.
