

NS BEFORE LENS

KINGS COUNTY LOSES TWO ESTEEMED RESIDENTS

John Hall and Elbert Robert Kennedy Pass Away, Former at Apohaqui and Latter at Berwick.

E. R. Kennedy.

Apohaqui, Aug. 15.—The county of Kings has suffered an irreparable loss in the passing of the late Elbert Robert Kennedy who was one of its most prominent and highly esteemed residents, and whose death at a comparatively early age is deeply mourned by hosts of friends.

Deceased was a son of the late Amasa and Christina Kennedy of Middlefield, Kings Co., his father before him being a man of prominence in his time and well remembered by the older residents of the county and elsewhere. His mother before marriage was Miss Christina Johnson, a sister of the late Dr. Geo. F. Johnson of Sussex.

The late Mr. Kennedy had attained the age of 64 years, having been born on Nov. 11th, 1854, at the Kennedy homestead at Mt. Middlefield, where he has been a resident practically all his life, and was a member of the Methodist church, and an active and devoted member of the same.

He was a resident practically all his life, and was a member of the Methodist church, and an active and devoted member of the same. He was a resident practically all his life, and was a member of the Methodist church, and an active and devoted member of the same.

He was a resident practically all his life, and was a member of the Methodist church, and an active and devoted member of the same. He was a resident practically all his life, and was a member of the Methodist church, and an active and devoted member of the same.

When the big boy severs his connection with the Knickerbocker family, this is the place to line up with the first long trousers—our specialty.

Long trousers made by concerns who know how to do justice to the boy.

Everything else to add grace to the picture. Pinch back suits \$15 up. Some lighter colors being cleared at one-third of regular prices.

Gilmour's, 68 King St. Open Friday Evenings; Close Saturdays 1 p. m. June, July and August.

A successful farmer and prominent citizen until he retired some ten years ago, and has since made his home with members of his family.

His wife, who was Miss Jerusha Mills of Shedd Cape, predeceased him six years ago. A family of five daughters and three sons survive, viz: Mrs. Robert Harmer, of Coleraine (Mass.); Mrs. A. W. Kiddle, Maiden (Mass.); Mrs. E. C. Jones, of Roxbury (Mass.); Mrs. C. T. Tait, Sussex, and Mrs. Edgar Buchanan of this place.

The sons are Beverly Hall of Milton (Mass.); Thomas Hall, of Jeffries Corner, and Charles Hall of Apohaqui; also one sister, Mrs. Geo. W. Walling, Shedd Cape, and two brothers, Elkanah Hall and Albert Hall of Penobscot.

The late old gentleman had been in failing health for some months, principally due to the infirmities of age. He was a consistent member of the Baptist church and a highly esteemed member of the community.

His passing is sincerely mourned by a large circle of friends and relatives. The funeral taken place from the residence of Edgar Buchanan on Friday afternoon at 1 o'clock. Service at the home will be conducted by the Rev. C. Saunders Young, after which the funeral cortege will proceed to Penobscot, where interment will take place in the lower cemetery.

HANFORD BROOK. Hanford Brook, Aug. 14.—Mrs. William H. Rawlings of Braintree, Mass., has been spending the past month with her friend, Mrs. Geo. Tracy.

Apohaqui, Aug. 15.—The death of John Hall took place this morning at 6 o'clock at the home of his daughter, Mrs. Edgar Buchanan of this place, with whom he had made his home for several years. The late Mr. Hall would have reached 80 years had he survived until Dec. 2. He was born at Penobscot, later in life removing from there to Lonsdale where he was

Field Marshal Sir Douglas Haig's Forces Attack German Positions Along Wide Front from Lens to the Northeast of Loos, Carrying Teuton First Lines At All Points of the Front Attacked.

FAMOUS HILL 70 CAPTURED BY THE GALLANT CANADIAN SOLDIERS

Germans Considered the Height Impregnable—Capture of Hill Ranks in Importance with the Biggest Military Operations This Year as It Was Last Dominating Position in Hun Hands in That Section.

London, Aug. 15.—Field Marshal Sir Douglas Haig's forces attacked the German positions along a wide front early this morning from Lens to the northeast of Loos. The official statement says the British are making progress satisfactorily. General Haig reports that the British troops have carried the German first line at all points of the front from Lens to the northeast of Loos.

She orders her guardian (Sir Robert Borden) to aid her lover (C. E. F.) with all her treasure and resources of every kind.

BOYS HELD FOR SCHOOL PRANKS AT ST. MARY'S

Gilbert Henry and Council Elected by Acclamation in Devon—Petition for Salomon Extension.

Special to The Standard. Fredericton, Aug. 15.—Two young men who were arrested for destroying school property in the parish of St. Mary's, appeared in court today and will be given judgment on Aug. 21st.

A petition which was signed by the fishermen of Kingsclear was presented to H. E. Harrison, fishery inspector, last week, which he signed and sent to the fisheries department at Ottawa with a strong recommendation that the request of the petitioners be complied with. The season for net salmon fishing was extended this year until August 16, but on account of the unusual heavy rains and high water the season was a very poor one and the fishermen are therefore desirous that the season be extended to the first of September.

Mr. Harrison has just returned from an inspection trip up river and spent three nights on the river between Perth and Harland and only found one instance of illegal fishing, and that was a man who was trying to spear salmon at night with the aid of a light.

Scott Act Vote Today. Fredericton will vote tomorrow for or against prohibition and there is little or no interest being taken. Charles D. Richards has been appointed relieving officer for the day. Today was nomination day in Devon and no other nominations being filed Sheriff Hawthorne, the returning officer.

Maugerville, Aug. 15.—Unknown persons fired on Russian troops. An explosion followed, during which several Finns were killed and wounded.

Great circuit racing at Moosepass. Come one, come all. Friday and Saturday afternoons. I tried a great many remedies, but found that while some of them checked it, none cured it permanently. In six weeks my hand was completely better. I would not do without a box of Dr. Chase's Ointment in the house if it cost \$2.00 a box.

The old idea that eczema was a disease of the blood has been exploded, because it was impossible to effect a cure by means of internal medicines. The treatment must be applied locally to the diseased parts, and there has yet to be discovered anything to rival Dr. Chase's Ointment as a cure for eczema.

By using Dr. Chase's Ointment such relief is afforded that you can avoid scratching and unnecessarily irritating the diseased parts. This ointment thoroughly cleanses the sores, keeps them antiseptic, and sets up the process of healing. In obstinate cases a little patience is necessary, but you can rest assured that no treatment is so certain to effect a complete cure.

Mr. J. E. Jones, 228 University Ave., Kingston, Ont., writes: "I had eczema on my hand for about five years. I tried a great many remedies, but found that while some of them checked it, none cured it permanently. In six weeks my hand was completely better. I would not do without a box of Dr. Chase's Ointment in the house if it cost \$2.00 a box."

FREDERICTON BATHERS HAVE SOME TROUBLES

Lack of Bath Houses Leads to Robbery and Other Embarrassing Happenings.

Special to The Standard. Fredericton, Aug. 15.—Arnold Blizard, the police claim, was caught in the despicable act last evening of rifling a pair of trousers which were left behind a wood pile on the beach at the upper end of the city, while the owner was enjoying the cooling waters of the St. John. Every fine evening hundreds of men, women and children have to resort to woodpiles, bushes or whatever other protection is at hand.

The Usual Thing. Almost every evening money watches or some other articles have been stolen from the bathers and last evening was no exception to the rule, as Officer Murray, who was out in civilian clothes watching the antics of those in the water, caught a man red-handed.

The officer on detecting him at first gave him warning and ordered him to leave the beach at once and he started to do so but only made a detour around and came back on the job again. In a pocket of another pair of trousers right next to the pair he was looting was over \$70 in cash and a gold watch and it was lucky for the owner that the arrest was made when it was.

Last week, a young man who is employed in a local jewelry-store, had a \$15 wrist watch taken out of his pockets and another had \$15 taken from his pockets.

Female Bathers Victims Too. The female bathers were not missed in the rounds of the thieves as they also have had loose change and other valuables stolen. Last summer an agitation was started to have bathing houses with lockers erected at the upper end of the city where the people could lock up their clothes and pay for the privilege but no action was taken and these robberies are the result of this carelessness on the part of the city fathers in not having these houses erected.

Blizard appeared in court this afternoon and at the request of his counsel, J. Dickson, his case was stood over until Saturday.

A TUG BOAT RACE. There was quite an interesting race in the bay yesterday between three tug boats. About 3.30 o'clock the signals on the Customs House announced, a schooner approaching. This was a motor tug, with a tugboat men, and as quickly as possible three tug boats cast off their moorings and steamed out of the harbor in single file.

There was not a great distance between the tug, and as they appeared to have about the same speed there was little or no change in their positions until they reached the schooner.

Another Accident. Dr. McKenzie of Prince William while going on a call collided with a Maine car on its way to the city. The Maine car was on the wrong side of the road and in turning a sharp curve both cars collided and the occupants of the Maine car were thrown out and slightly injured and their car was also badly damaged.

Dr. McKenzie escaped without injury but his car was badly demolished. He is in the city today.

REJECTED BY GIRL, COMMITS SUICIDE. Woodstock Young Man Thought He Had Nothing to Live for and Took Strichnine.

Woodstock, N. B., Aug. 15.—Eddie Morrissey died in the Fisher Hospital this morning as the result of taking strichnine.

Last night he met a neighbor named Bell and, handing him his watch and chain, said: "Take these, I am going to kill myself at 12.30." Bell took the articles but did not think the remark was made seriously. He was called to Morrissey's home during the night and found that the young man had carried to his stomach a quantity of strichnine and had him removed to the hospital, where he died after much suffering. Morrissey was evidently infatuated with a young lady in town who rejected his attentions. In a note left, he said he would commit the deed and told her that he died for her and hoped they would "meet beyond the river." He was a young man of good character and had been employed as a clerk in a grocery store. He was about twenty-four years of age.
