

The Seminary is under the direction of the Governors of the University. In its administration and classes, it is practically distinct from the other departments. A special committee of the Senate will co-operate with the Teachers in arranging the Courses of Study and determining the conditions of graduation.

Provision is made for three courses of study.—The Classical, the Literary, and the Musical. A diploma bearing the seal of the University will be awarded to students completing any one of these courses. The Seminary Building is situated on elevated ground and in view of the varied and attractive natural scenery of the valley of Grand Prè. The expenses of the School are moderate. It is the purpose of the Governors to make its educational advantages equal to the best in the Maritime Provinces.
