The English representatives to the
General Conference of Methodist Episcopal
Church, at Cincinnati, Revs. Wm
Arthur and F. W. Macdonald, it appears,
leave by the Britannic, in a few weeks. It is
somewhat curious to note that in the on-
"Irish" and two "English" representa-
tives there is not a whole Englishman to
be found! Mr. Macdonald, to some ex-
tent, and Messrs. M'Mullen and Arthur
entirely, may be claimed by Ireland, so
that in this "totality of being" England
is only represented by some 20 per cent.,
while Ireland, if every country had its
own, may claim the remaining 80 per cent.
Truly this is more than justice to Ireland,
and ought to be accepted as a set-off
against grumbling, of which there is much
of one kind and another.
It is satisfactory that such men are go-
ing out to America. They are a toss-up.
Neither are they afraid of daylight, but
men of "the present," who keep their
eyes open; and if even they should see
the sun rising in the west, they would not
be dismayed, but take a note of it and go
on with their work. Lay representation
came from the West—America, Canada,
Ireland, to England—who now expresses
her thanksgiving in a sum exceeding a
quarter of a million of money!

The Salvation Army has secured a
strong foothold in England. It has a
large annual income, and its organization
includes 120 corps, 180 officers, and 3,256
speakers. It held 50,000 meetings in the
course of a year in 143 theatres and music-
halls, besides about 40,000 open air meet-
ings. An estimate of the aggregate of the
of the audience place it at 2,000,000 per-
sons.

On Saturday night three churches were
set on fire at Ottawa—the Bank Street
Presbyterian Church, St. Joseph's Roman
Catholic Church, and St. Alban's Episco-
pal. These fires took place at the same
hour, and alarms were consequently given
from different localities at the same time,
creating great confusion among the fire
brigade. The Bank Street Church was
badly gutted, nothing being left but the
walls. In St. Joseph's Church the fire
was put out before much harm was done.
The tabernacle was broken open and the
chalice carried away. St. Alban's was con-
siderably damaged inside. Further ex-
amination shows that St. Alban's Presby-
terian Church had also received attention,
attempts having been made to enter it.
It is confidently ascertained that attempts
have been made in accordance with a con-
certed scheme of wide spread arson.

To love all mankind, from the great-
est to the lowest (or meanest) a cheer-
ful state of being is required; but in
order to see into mankind, into life,
and, still more, into ourselves, suffer-
ing is requisite.—Bichter.

Few heroes call for more thankfulness
than a friend safe in heaven. It is not
every one that overcometh.—Rev. J.
Hamilton.

in less danger than the strongest, when
secured.

McCALLUM'S
COMPOUND GENTIAN & TARAXICUM
BLOOD AND LIVER BITTERS.
This valuable preparation combines all the medi-
cal virtues of those articles which the leading
Physicians and Chemists of the day have proved
to possess the most safe and efficient alterative
properties for the cure of Liver Complaint, Dys-
pepsia, Indigestion, Kidney Complaint, Costiveness,
Piles, General Debility, Loss of Appetite, Faint-
ness of the Stomach, Pains in the Side and Back,
Scrofula, Ulcers, Mercurial Affections, and all
cases originating from impure Blood and diseased
Liver and Stomach.

TESTIMONIAL.
We have seen and used in our practice the pre-
scription for McCallum's Compound Gentian and
Taraxicum Bitters, and can recommend them as a
good tonic and alterative, which may safely be
used as a family medicine in cases of illness arising
from sluggish liver and impurities of the blood.

McCALLUM'S
GENTIAN AND TARAXICUM BLOOD AND
LIVER BITTERS.
PRICE \$1 per bottle.
Also
Put up in boxes, sufficient to make Two Quarts
of Bitters, which will be sent by mail to any
address on receipt of \$1. Directions for making
are enclosed in each box.
Notice.—It is claimed that these Bitters are
superior to anything before offered the public, for
the reason that they are made from a prescription
recognized by nearly all Physicians to be one of
the best known purifiers of the blood; and that
the Bitters usually offered the public are made
mostly of cheap whiskey, while the Gentian and
Taraxicum Blood and Liver Bitters are composed
of roots and plants most used by Physicians to
cure their practice and can be made by any person (see
directions accompanying each box) and only
enough spirits added to keep them from spoiling.
