"Fruit-a-tives" Cured Him

HUGH MCKENNA, Esq.

St. Stephen, N.B. Jan. 17th. 1911.

"I wish to tell you of the great good 'Fruit-a-tives' have done for me. For years, I was a martyr to Chronic Constipation and Stomach Trouble. I was greatly run down and my friends feared I had Consumption. I tried numerous doctors and all kinds of medicines, but received no relief until advised to try 'Fruit-a-tives' by Mr. McCready of St. Stephen, and am pleased to say that I now enjoy excellent health. 'Fruit-a-tives' are the best medicine made, and I strongly advise my friends to use them."

poet if she can compose like she did those verses in the May number. Leap Year seems to be hurrying some of the young people up a bit, at least it seems so around this part, as several are erecting new cages for the bird. But not for mine! I'll buy the silk dress first, so if any of you girls want one just send in your application; none over 30 years need apply. Wishing The Western Home Monthly every success. I sign myself,

A Letter from Australia.

Northam, Western Australia,
April 3, 1912.

Dear Sir,—I have just had the luck to receive one of your valuable papers. I was so pleased with it, as I love reading news of any kind from other colonies. I found in it, good reading, also very instructive paragraphs for both young and old. I enjoyed reading the correspondence best of all, which I found both interesting and amusing. I would very much like to go to Canada; perhaps I may some day, and then I shall see all this wonderful snow and ice we read about. There is no snow out here and very little ice (excepting what we make in the refrigerator). I did not see any letters in this copy from Western Australia, so I thought I would write a few lines, as I would like to "come in touch" with some of your Canadian correspondents. Of course, the girls generally prefer the boys writing to them and vice versa; so if anyone would care to correspond with me they will find my address with the editor. I agree with Amicus Veritatis in his views of Josephus' letter. Of course, I did not read Josephus' letter, but I can well imagine what it contained by reading the other letters. As I am fond of dancing and always enjoy a good game of cards, I cannot see myself where the sin comes in. I think there is no enjoyment like a dance in the evening when all young friends meet together. Of course, I mean when carried out in proper "style." There are some "low class" dancing rooms which are neither fit for a young girl or boy to enter. It is just beginning to rain and all the farmers are busy putting in their crops. We will soon have winter visiting us now. We had a fairly good harvest last year considering the dry weather we had. I am 21 years old. Wishing The Western Home Monthly every success, I remain, your friend,
"From the Land of the Golden West."

Wants Position.

Mass., U.S.A., June 13th, 1912.

Dear Sir,—I am a refined widow, 46 (English), who is living in Mass, U.S.A., but who would love to come out to Canada if I had a position to go to. I could do so by July 2nd. I am thoroughly domesticated and can give the highest of references from my minister and others. I would like a position as housekeeper on a farm, as I like the country, but I would not go to anyone who touched liquor of any kind. I do not mind anyone smoking and knowing how hard it is to get women to go on a farm, I thought some of your readers of the correspondence columns who may be in need of one would write with all particulars and wages in first letter. Hoping to see my letter in the correspondence columns, I remain, yours sincerely,
English Widow.

The ingredients of Magic Baking Powder are plainly printed on each package. The makers of the numerous alum baking powders never do this, but they have been known to print the words "No Alum" on their labels. This is no guarantee—it is fraud. See that all ingredients are stated.

Faultless in Preparation.—Unlike any other stomach regulator, Parmelee's Vegetable Pills are the result of long study of vegetable compounds calculated to stimulate the stomachic functions and maintain them at the normal condition. Years of use have proved their faultless character and established their excellent reputation. And this reputation they have maintained for years and will continue to maintain, for these pills must always stand at the head of the list of standard preparations.

A BLOOD MEDICINE WITHOUT ALCOHOL.

Recently it has been definitely proven by experiments on animals that alcohol lowers the germicidal power of the body and that alcohol paralyzes the white corpuscles of the blood and renders them unable to take up and destroy disease germs. Disease germs cause the death of over one-half of the human race.

A blood medicine, made entirely without alcohol, which is a pure glyceric extract of roots, such as Bloodroot, Queen's root, Golden Seal root, Mandrake and Stone root, has been extensively sold by druggists for the past forty years as Dr. Pierce's Golden Medical Discovery. The refreshing influence of this extract is like Nature's influence—the blood is bathed in the tonic which gives life to the blood—the vital fires of the body burn brighter and their increased activity consumes the tissue rubbish which has accumulated during the winter.

Mrs. Hayes.

Dr. R. V. Pierce, the founder of the invalids' Hotel and Surgical Institute, and a physician of large experience and practice, was the first to make up an ALTERNATIVE EXTRACT of roots, without a particle of alcohol or narcotic.

"It is with the greatest of pleasure, that I write to let you know of the great benefit I received from the use of your medicines and self-treatment at home," writes Mrs. Wm. Hayes, of Ladysmith, B.C. "I suffered for three years from a running sore. Consulted four doctors but they failed to mend or give relief. Finally I was told I was in consumption and would have to consult a specialist concerning my ear, that the dead bone must be cut out before the wound would heal. A kind friend advised me to write to Dr. Pierce, which I did, and after seven months' use of the treatment the sore is healed, and I enjoy better health than I ever did. I dressed the wound with Dr. Pierce's All-Healing Salve and took the 'Golden Medical Discovery' and 'Pleasant Pellets' for my troubles. I shall always recommend your medicines."

Dr. Pierce's Pleasant Pellets regulate liver and bowels.

Gives Men This Vitality of Youth

Vitality is the thing which makes success; it gives men that compelling power which sends them forth eager and equipped to meet and overcome all obstacles; it is the thing which gives the young soldier courage to face death; it is the thing which inspires and holds his sweetheart's love and faith. No matter what your age, I can give you this same vital power. I can restore the vigor you lost, no matter what early or late indiscretion may have sapped your strength. I can make you "young" and keep you "young." From an intimate and studious observation of possibly 100,000 weakened men, I say to you that VITALITY or the lack of it means all the difference between a manly man and a

half man. The man who bubbles with vital power will exert a pleasing influence upon all with whom he comes in contact; women are naturally attracted to him, as are men. Lack of vitality is a negative condition and it even repels. You wear my HEALTH BELT all night; it sends a great glowing, health-giving current of electro-vitality into your nerves, blood and organs; it takes all the "kink" out of your back and all the coward out of your makeup; it puts you right up in the "feeling fine" class and keeps you there. No stimulation, no false results; just a sure return to manhood and courage. Recommended also for rheumatism, pain in the back, kidney, liver, stomach and bladder disorders. It makes you feel young and keeps you feeling young forever.

Let Me Send You This Book FREE

It fully describes my Health Belt, and contains much valuable information.
