Q 202967

Mr. Bracken can speak with the  
experience behind him of 20 years  
as Premier of a Province: one  
thing I can promise - unlike Mr.  
Bracken, I shall not set out at  
this stage of my career looking  
for new worlds to conquer;

Most grateful to Mr. Bracken, Mr.  
Coldwell and Mr. Low for their  
efforts in my absence to keep the  
government in office -

efforts seem to have succeeded very  
well.

Perhaps I should also thank them and  
their followers for all they have  
done to speed up the business of  
Parliament.
