SIXTH WITNESS

For the Prosecution

D.129855 Spr. (A/L/Cpl.) MONIQUE, C., No 1 C.E.RU.,  
a soldier of the Canadian Army (Overseas), having been  
duly sworn, states:-

Between 2200 and 2215 hrs 29 Sep 44, I was walking  
down Minley Road, between the "Crown and Cushion" Hotel,  
and the camp entrance. I was walking with Spr. Wanford  
and another soldier. I was in the centre, but we were  
all on the right side of the road. I could see some  
people walking about 100 feet ahead of us, going in the  
same direction as we were, and on the same side of  
the road.

I heard the noise of a vehicle behind me and  
turned around. I saw two lights of a car approaching, so  
I grabbed Wanford and the other soldier with me, and  
pulled them further to the side of the road. The  
vehicle went past very close to us, and I saw it hit  
someone amongst the people walking ahead of us. Immedi-  
ately it hit this person, the vehicle swerved further to  
the right, and then back to the centre of the road. The  
vehicle seemed to slow down for a second after it hit  
the person, and then kept on going. I saw the vehicle  
turn in at the camp gates. I went to the person who had  
been hit, and figured that he was in pretty bad shape,  
so immediately went to the guard room and reported the  
accident.

Q. Could you recognize anyone in the vehicle?

A. No, sir.

The accused declines to cross-examine the witness.
