

Plans at office of John Wilson, Collingwood.

LONDON, ONT.—The congregation of new St. James Presbyterian church have decided to build a new gallery.—The Southwestern Traction Co. have decided to enlarge their power house.—The Wellington street Methodists have decided to erect a new Sunday School building at cost of \$10,000.

INDIAN HEAD, N.W.T.—A by-law to borrow \$150,000 for electric lighting, waterworks and sewerage was carried almost unanimously. Contracts will be let at once for the work of bringing the water from the Squirrel Hill and for building a reservoir, dam, and power house. John Galt, Toronto, chief engineer.

MOOSE JAW, N. W. T.—Plans are being prepared for a 2-storey brick block, 50 x 70 feet, for Doctor Bros.—Charles Mills, architect, desires tenders by June 1st for erection of office building for Bank of Hamilton.—The Council will receive tenders up to June 12th for sewer and water connections.—An extension of the electric light system is under consideration.

FORT WILLIAM, ONT.—The contract for the Ogilvie mill will likely be awarded this week.—J. C. Stinson, architect, desires tenders by June 3rd for erection of brick veneered dwelling for C. J. Walsh.—The Kakabeka Falls Power Co. will proceed immediately with construction work. H. S. Holt and C. R. Hosmer, of Montreal, are interested, and R. S. Kelsch, of same city, has been appointed chief engineer.

EDMONTON, N. W. T.—Tenders will shortly be invited for new Canadian Northern Railway station.—Mr. Semerad, proprietor of St. Elmo Hotel, purposes building a 3-storey brick hotel.—Calhoun & Ferguson purpose building a large hotel on First street.—Plans have been received here of the proposed route for the C.P.R. extension of the C. & E. line across the river into the city. It is expected that a high level bridge about 1,500 feet in length will be constructed.

PORT ARTHUR, ONT.—The new Canadian Northern Railway station will be of brick and stone, 132 x 34 feet, steam heated, electric lighted, cost upwards of \$30,000.—The congregation of St. Andrews R. C. church have decided

to build a new edifice, of stone, work to be commenced next spring.—The town will build another dam on Current river, Engineer McDougall having reported that such a dam would give the town over double the storage capacity now obtained. The electric plant will also be increased.

HAMILTON, ONT.—Fuller Clafin, architect, New York, will award contracts this week for additions and improvements to the Grand Opera House.—The following building permits were granted last week: Union Drawn Steel Co., addition to factory, cost \$5,000; R. & J. Poag, two brick dwellings, Wentworth street, cost \$3,400; M. McCallum, brick dwelling, North street, cost \$2,200; Dr. Hess, residence, corner East ave. and Barton street, cost \$3,500; John Demara, three brick houses on Sherman ave., cost \$2,500.

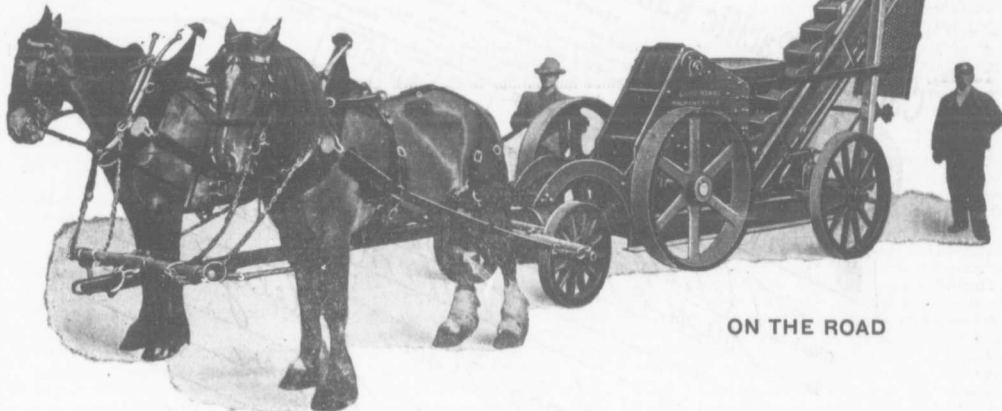

VANCOUVER, B.C.—W. H. Archer, architect, is this week taking tenders on a frame residence for A. G. McKenney, also for new St. Paul's church.—The British Columbia Telephone Co. have purchased property on Seymour street, between Dunsmuir and Pender streets,

THE GOOD ROADS MACHINERY COMPANY, LIMITED, Hamilton, Canada

Our No. 4 "CHAMPION" Mounted Rock Crusher with Elevator and Chute, Screen

The Very Latest "UP-TO-DATE" Portable Mounted Outfit Manufactured

Patented March 22nd, 1900.
Patented June 7th, 1904.

ON THE ROAD

The Steel "CHAMPION" Rock Crusher is the result of years of practical experience in crushing Rock from the limestone Ridges to the very hardest Syenite Rock. For crushing hard Boulders they have been proved to be superior to all competitors.

All mechanics agree that the simpler the machine the more valuable it is. In complicated machines look out for trouble and expense.
