

# OFFER TO WEAK MEN!

I make this offer to weak men, particularly those men who have spent their earnings for years on dope (the drugs that make them feel like a young colt one day and like an old, broken-down hack the day after), those men who have tried so many things, that they are tired of fooling and want a cure. These are the men I appeal to, and to any man who will give me reasonable security I am willing to give my

## Electric Belt on Trial Until You Are Cured.

I claim that I can cure weak men; that I can pump new life into worn-out bodies; that I can cure your pains and aches, limber up your joints and make you feel as frisky and vigorous as you ever did in your life. That's claiming a good deal, but I have got a good remedy, and know it well enough to take all the risk if you will pay me when you are cured.

No man can lose on this. If the cure is worth the price you don't have to pay for it until you get it. When you are ready to say you are a big, husky and frisky specimen of vigorous manhood; that you haven't got an ache or pain in your whole body, and that you feel better than you ever did in your life, I get paid. If you can't say it after using my Belt for three months, then give me back my old Belt and I won't ask a cent.

A short time ago I took a case that I couldn't cure, and I didn't see why, as I had cured hundreds like it. Anyway, my patient returned the Belt and said I hadn't done him any good. He said he thought I had treated him honestly and wanted to pay me the cost of the Belt, because it could not be used again. I refused, and told him that I had made a contract to cure him or get nothing, and I wouldn't take a dollar I hadn't earned.

Take my Electric Belt for what it will do for you. Wear it when you sleep at night, or while you are resting after your work. You will find it a vitalizer, a tonic to your nerves, a rejuvenator of waning vitality. Use it for any ailment which drugs have failed to cure, and you will never cease praising it.

I've cured lots of men who have paid over a thousand dollars to doctors before they came to me.

### This is the Way They Feel

The men who had given up hope, who thought there was no cure for them, until they came upon Dr. McLaughlin's Electric Belt. Now they are full of life and overflowing with joyous spirits. Pains are gone, weakness has gone, and full vigor is in every action.

Do you want to feel like that? Then wear the grand life-giving appliance for two months at night. It will charge every nerve with electric life, and you will feel rejuvenated and invigorated. It puts steam into your run-down body, drives away pain, and renews youth.

Tell me where you are and I'll give you the name of a man in your town that I've cured. I've got cures in every town.

That's enough. You need the cure. I've got it. You want it. I'll give it to you or you need not pay me a cent. Come and get it now. The pleasurable moments of this life are too few, so don't throw any away. While there is a chance to be husky and strong, to throw out your chest and look at yourself in the glass and say, "I'm a man," do it, and don't waste time thinking about it.

### Get Some Life Into You

What's the use of dragging your legs about like a wooden man? Feel like a man of spirit. Away with the pains and aches; off with this wretched feeling as if you were seventy years old and had one foot in the grave. Come and let me put life into your nerves; let me give you a new supply of youthful energy. Let me make you feel like throwing your chest out and your head up, and saying to yourself, "I'M A MAN!" Let me give you back that old feeling of youthful fire, vim and courage. I can do it so that in two months you will wonder that you ever felt so slow and poky as you do now. Act to-day. Life is sweet, so enjoy every minute.

Dr. McLaughlin:

Dear Sir,—You will, no doubt, be wondering why you have not heard from me, but I wanted to give your Belt a thorough test before I gave my testimonial, and now I can safely say that your Belt has made a well man of me. I never feel any of the effects of Rheumatism, and I am as strong and well as ever. You can make this as strong as you wish, and use my name to it, for your Belt is certainly worth more praise than I know how to give it. RONALD LEITCH, Osprings, Ont.

Dear Sir,—I take great pleasure in recommending your Belt to anyone suffering from Nerve Trouble or Loss of Sleep from causes so frequent to men. D. ANGEISH, Lambeth, Ont.

Dear Sir,—I am pleased to say that I have not felt any return of my ailments, and have not felt better for years than I have done this summer, for which I thank you and your Electric Belt. ROBT. COMBE, St. Catharines, Ont.

Dear Sir,—Some time ago I purchased one of your best Belts for a weak back. My back was also sore, but your Belt cured me completely, and I am very pleased to recommend it to anyone suffering from weak or lame back. ROBERT MOTT, Bath, Ont.
