Ayer's Cathartic Pills

Combine the choicest cathartic principles in medicine, in proportions accurately adjusted to secure activity, certainty, and justness of effect.

They are the result of years of careful study and practical experiment, and are therefore effective for diseases caused by derangement of the stomach, liver, and bowels, which require prompt and effectual treatment.

AYER'S PILLS are specially applicable to this class of diseases. They are healthy in their action, and restore regularity of the digestive and assimilative processes.

Their extensive use by physicians in their practice, and by all healthy nations, is one of the many proofs of their value as a safe, sure, and perfectly reliable purgative medicine.

Being compounded of the concentrated virtues of purely vegetable substances, they are positively free from calomel or any injurious properties, and can be administered to children with perfect safety.

AYER'S PILLS are an effectual cure for Constipation, Costiveness, Indigestion, Dyspepsia, Loss of Appetite, Foul Stomach and Breath, Dizziness, Biliousness, Jaundice, Rheumatism, Eruptions and Skin Diseases, Drops, Tumors, Worms, Neuralgia, Colic, Gripes, Diarrhoea, Dysentery, Gout, Piles, Disorders of the Liver, and all other diseases resulting from a disordered state of the digestive apparatus.

As a Dinner Pill they have no equal. While gentle in their action, these Pills are the most thorough and searching cathartic that can be employed, and never give pain unless the bowels are inflamed, and then their influence is healing. They stimulate the appetite and digestive organs; they cleanse the system; they purify the blood, and impart renewed health and vigor to the whole system.

THOMAS D. EGAN, NEW YORK CATHOLIC AGENCY, 37 BARCLAY STREET, NEW YORK

THE IMPERIAL HARVESTER EQUIPPED WITH OUR NEW RAKE.

When we tell you the Imperial Harvester is the most perfect reaping machine made, we also lay before you the facts in order that you can judge for yourselves.

Not only does this machine possess more valuable patented improvements than any other machine made, but in construction it is the simplest, in strength, and durability, combined with lightness, compactness, symmetry of design, convenience in handling and capacity for performing extraordinary ranges of work with ease and perfection, it has no equal.

It is adapted to work on any farm field, in any kind of grain, and it possesses advantages over all others, equipped as it is with both of the acknowledged perfect rakes now in use, either of which farmers can choose when purchasing.

Farmers, be not deceived by any statements made by agents anxious to sell you reapers of other makers. You now have the opportunity of purchasing the only perfect machine in the market, and do not let that opportunity slip from you.

The Imperial is sold under full warranty that it is just as we represent it. You run no risk in buying it. It will do all we say, and more too. Therefore send in your orders at once. It costs no more to purchase now than it will at harvest time.

By having your machine at hand before you require to use it, you will become so familiar with its construction and operation that when you begin harvesting you will be able to go right through without a single delay. This to every farmer is a matter of great importance.

Our agents will have sample machines at different points for inspection during the winter and spring months, where you can see them and leave your orders. Or you can send your order to us direct. We will ship you a machine, and if it does not suit you we will return your order. This is the way we do business. In dealing with us you run no risk whatever. You want value for your money, and we want your custom, and if we would keep your custom we must give you the worth of your money.

When you buy the Imperial you not only have the best machine made, but you buy it at the lowest price. The Imperial works, London, Ontario, or PERIAL HARVESTER can be obtained only at the Globe Works, London, Ontario, or through the regular agents of the Company. Bear this in mind and order your machine now.

In your orders specify which rake you want, the "Johnston" or the "Imperial" rake shown in the above cut. We will ship you a machine, and if it does not suit you we will return your order. This is the way we do business.
