A MERRY CHRISTMAS AND A HAPPY NEW YEAR.

G. GATES, SON & Co., wish to thank their numerous Customers for the patronage they have extended to them during the past year and from the numerous testimonials and letters of thanks received from all parts of the Lower Provinces during the year they feel doubly confident that all their preparations are making the most remarkable cures and giving the most complete satisfaction, standing foremost among the many medicines before the public. If you would be healthy and free from the numerous diseases so prevalent keep your blood pure and system cleansed by taking a few bottles of the BEST BLOOD PURIFIER known—Gates' Life of Man Bitters No. 2 and Invigorating Syrup No. 1—during the winter and spring of each year. For Drops no medicine has ever been found to work so complete a cure, it extracts the water and all impurities from the blood and brings the liver to its proper working order. Lung diseases are frequently cured by their use, in fact there is scarcely a disease that may not be cured entirely or greatly benefited by these remarkably safe and good medicines. Their ACACIA LINIMENT stands foremost among that class of medicines for Pains, Rheumatism, Diptheria, Colds, etc., and it is free from the opening ingredients so common in popular liniment, which most invariably cause the patient to take cold after using them. Their NERVE OINTMENT for Burns, Scalds, Bruises, Cuts, Eruptions of the skin, etc., VEGETABLE PLASTER for Blisters, Cracked Hands and Lame Back, and EYE RELIEF for Sore Eyes, need only to be once tried to ensure their continuance as family medicines.

"THE LEADING AMERICAN NEWSPAPER."

THE NEW YORK TRIBUNE FOR 1881

THE LARGEST CIRCULATION AMONG THE BEST PEOPLE.

During the past year THE NEW YORK TRIBUNE reached the largest circulation it ever attained, with the single exception of a short period in the first Lincoln campaign. It is a larger circulation than any other newspaper published in the whole country than any ever enjoyed by any other newspaper in the United States. This fact may be taken as the verdict of the American People on THE TRIBUNE's political force, its fidelity to sound principles, and its merits as a newspaper.

For 1881, THE TRIBUNE will try to deserve equally well of the public. It will labor for, and it confidently expects the incoming Administration to promote, a free and fair suffrage, South and North, sound money, protection to Home Industry, judicious liberalization of Internal Improvements, and a Civil Service conducted on business principles, on the theory of elevating, not of ignoring or degrading, politics.

The well-known special features of THE TRIBUNE will be sedulously maintained. Its Agricultural Department will remain the fullest and best. The Household Department and the young Folk Departments, the literary, scientific and religious features, the standard market reports, will all be kept up, and, as opportunity offers, extended.

THE TRIBUNE PREMIUMS.

THE TRIBUNE has never been equalled in the substantial and permanent value of its premiums to agents and subscribers, and it adds to its list this year two of the most desirable it has ever offered.

The Great Bible Concordance. Analytical Concordance to the Bible, on an entirely new plan, containing every word in alphabetical order arranged under its Hebrew or Greek original, with the literal meaning of each and its pronunciation, exhibiting 81,000 references, 118,000 beyond Cruden; marking 3,000 various readings in the New Testament; with the latest information on Biblical Geography and Antiquities, etc., etc. By Robert Young, LL.D., author of a new literal Translation of the Hebrew and Greek Scriptures, etc., etc.

In one handsome quarto volume, containing over 1,000 heavy columns, very superior in appearance, in cloth. The paper and type are the same size as those of Webster's Unabridged Dictionary. It is at once a Concordance, a Greek, Hebrew and English Lexicon of Bible words, and a Scriptural Gazetteer. Every home that has a Bible in it ought also to have this great help to Bible-reading and study.

This great work was originally published in England in October, 1879, and was sold at \$15. We can now offer it in connection with THE TRIBUNE at the following remarkably low rates:

For \$6 the Concordance and one copy of THE Weekly Tribune five years, or five copies one year.

For \$11 the Concordance and one copy of THE Semi-Weekly Tribune five years, or five copies one year, or ten copies of THE Weekly Tribune one year.

For \$20 the Concordance and twenty copies of THE Weekly Tribune one year.

The postage on the Concordance is 40 cents, which the subscriber will remit if wishing it sent by mail. Except for short distances the mail will be cheaper than the express.

Our second new premium for this year is the following:

The Library of Universal Knowledge. Embracing Chambers' Encyclopaedia complete, omitting only some of the cuts with extensive additions by able writers of American authors, treating about 15,000 additional topics, thoroughly Americanizing the entire work, adding to it over 25 per cent. of the latest, freshest and most valuable matter, the whole making 15 Handsome Octavo Volumes of 6 by 9 1/2 inches in size, printed in large type on good, strong, calendered paper, and neatly and substantially bound in cloth.

We can offer this valuable work in connection with THE TRIBUNE as follows:

For \$15 the Library of Universal Knowledge complete in 15 octavo volumes, substantially bound in cloth as above described, and THE Weekly Tribune 5 years to one subscriber.

For \$20 the Library of Universal Knowledge as above described, and ten copies of THE Weekly Tribune 5 years to one subscriber.

For \$10 the Library of Universal Knowledge as above described, and twenty copies of THE Weekly Tribune one year.

Five volumes of the work are now ready, the sixth is nearly ready, and the remainder will rapidly follow. It will be sent by mail or express at the subscriber's expense. The postage, if sent by mail, will be 21 cents per volume, in packages, by express, they can be had much cheaper.

These books, like the others, will be sent at subscriber's expense by mail or express. The postage on the three volumes will be 21 cents.

PROMPT WORK.

To induce quick work for this great premium we make the following most extraordinary offer: With the first 3,000 orders received for the Library of Universal Knowledge we will send free, as a present from THE TRIBUNE, a copy of the Concise Edition of Chambers' Encyclopaedia, printed in large type and on good paper, and neatly bound in cloth.

These books, like the others, will be sent at subscriber's expense by mail or express. The postage on the three volumes will be 21 cents.

A MAGNIFICENT GIFT!

WORCESTER'S GREAT UNABRIDGED DICTIONARY FREE!

THE NEW YORK TRIBUNE will send at subscriber's expense (freight, or delivery in New York City) to any part of the United States, a copy of the Quarto Illustrated Dictionary, bound in sheep, edition of 1879, the very latest and very best edition of that great work, to any one returning \$10 for a single five years' subscription in advance, or five one-year subscriptions to THE WEEKLY, or

\$15 for a single five years' subscription in advance, or five one-year subscriptions to THE SEMI-WEEKLY, or one year's subscription to THE DAILY, or

\$20 for a single three years' subscription in advance to THE DAILY TRIBUNE.

For one dollar extra the Dictionary can be sent by mail to any part of the United States, where the short distances the express is much cheaper.

For any further information (desired), address THE TRIBUNE, NEW YORK.

Spavin Cured.

ST. JOHN, N.B., January 6th, 1880.

DEAR SIR—In regard to your favor of a few days ago, I would say—"About one year ago a horse owned by me contracted a large Bone Spavin for the cure of which I tried a number of the liniments and lotions advertised to cure the same, without any effect, and he became very lame. A friend of mine recommended me to try FELLOWS' LEMING'S ESSENCE. I acted upon his advice, and now I am happy to say the lameness has ceased and the Spavin disappeared. I now consider him entirely cured, and would cheerfully recommend FELLOWS' LEMING'S ESSENCE as being the best remedy in the market for all lameness that horses are subject to.

Yours truly, THOMAS F. FRY.
