FALL GOODS.

A REMARKABLE CASE.—W. A. Edgers, of Frankville, suffered from a disease of the Liver and Kidneys, that brought him so low that his life was despaired of; he lay for ten and thirteen days without an operation of the bowels; after taking one bottle of Burdock Blood Bitters he was enabled to leave his bed and drive out; three bottles more completed a cure; and he says that he is now a better man than he has been for twenty years.

Pleasant to the taste, and soothing to the Kidneys, is the universal expression of all who have used Dr. Van Buren's Kidney Cure. A few doses relieve the pain, a few bottles complete the cure, and you are saved. All druggists keep it.

THE TONTINE INVESTMENT

POLICY of The North American Assurance Company combines in one form the greatest number of advantages attainable in a Life Insurance Policy. It appeals at once to the intelligence of all who understand the principles and practice of Life Insurance.

All Policies whether on Life or Endowment Rates, are subject to no higher charge in Premium Rates, in taking the "Tontine Investment" form.

The extra benefits of this are conditions 1 only upon continuance of the Policy for a certain specified term or Tontine period of ten, fifteen or twenty years, selected by the insured himself.

Two things most desired in Life Insurance are the certainty of protection in early death, and profit in long life. These are combined in the "Tontine Investment Policy" of the North American Life Assurance Co., which also issues Annuities and all the ordinary approved forms of Life Policies.
