## A Physician's Testimony for Labatt's Ale

"We find that the ale uniformly and well agreed with the patients, that it stimulated the appetite, and thereby increased nutrition. The taste, likewise, is always highly spoken of. In nervous women, we found that a glass at bedtime acted as a very effective and harmless hypnotic."—SUPERINTENDENT OF LARGE U. S. HOSPITAL.

## Synopsis of Canadian North-West HOMESTEAD REGULATIONS.

Application for entry must be made in person by the applicant at a Dominion Lands Agency or Sub-agency for the district in which the land is situate. Entry by proxy may, however be made at any Agency on certain conditions by the father, mother, son, daughter, brother or sister of an intending homesteader.

The homesteader is required to perform the homestead duties under one of the following plans:

- (1) At least six months' residence upon and cultivation of the land in each year for three years.
- (2) A homesteader may, if he so desires, perform the required residence duties by living on farming land owned solely by him, not less than eighty (80) acres in extent, in the vicinity of his homestead. Joint ownership in land will not meet this requirement.
- (3) If the father (or mother, if the father is deceased) of a homesteader has permanent residence on farming land owned solely by him, not less than eighty (80) acres in extent, in the vicinity of the homestead, or upon a homestead entered for by him in the vicinity, such homesteader may perform his own residence duties by living with the father (or mother).
- (4) The term "vicinity" in the two preceding paragraphs is defined as meaning not more than nine miles in a direct line, exclusive of the width of road allowances crossed in the measurement.
- (5) A homesteader intending to perform his residence duties in accordance with the above while living with parents or on farming land owned by himself must notify the Agent for the district of such intention.

Six months' notice in writing must be given to the Commissioner of Dominion Lands at Ottawa of intention to apply for patent.

### THE WATCHMAN—

This is not a theological book, but takes the problems of the every-day Christian life, and seeks to make them clear and to show a solution. No one can read the book or even a few pages of it without gaining strength and courage for the conflicts of life. On the whole we pronounce this Mr. Gordon's best book.

### SPRINGFIELD REPUBLICAN—

His talks lose nothing by being quiet; they reach the heart most forcefully. The analysis of each problem is keen, the solution plain and picturesque. This last volume will do much to swell the circulation of Mr. Gordon's books, which has already passed 200,000.
