### Our Prices for Golden Manilla Binder Twine.

The twine is made specially for us by a leading manufacturer. It contains about 50% of pure Manilla, which is a larger percentage than is usually put into twine that runs 550 feet to the pound as does ours.

Our prices are 11½c per pound at Winnipeg, 12c at Brandon, 12½c at Regina, and 12¾c at Calgary. To these prices must, of course, be added the local freight rates from any one of these points to the point to which you want your twine delivered.

Should your crops be destroyed by hail or excessive rain or should the twine be unsatisfactory for any reason, you are at liberty to return it to us, and we will refund your money promptly.

Send us your order at the earliest possible date and likely we will be able to make up a car lot to your station, thus saving you considerable in freight charges. We shall be pleased to quote the price of twine in car-lots at any station in Western Canada.
