Have You Pure Bred Hogs for Sale? An Ad. on this page will help you to Sell Them

Thousands of hogs were sacrificed last fall. A very large number of farmers went out of hogs altogether. What was the reason? High grain prices and later low hog prices. Things have changed. Hogs are around the 8 cent mark in Winnipeg this week and coarse grain prices are not so high. Hogs can be raised profitably when they sell at 8 cents and indications point to the market price continuing reasonably high for some time. There is an acknowledged shortage of hogs in North America. Wide awake farmers know that in farming, just as in any other business, it pays not to follow blindly the other man's lead. Breeding hogs are scarce. Thinking men are looking round now for young sows.

Have you some for sale? If so The Guide can help you to sell them.

This classified advertising page is read by over 34,000 wideawake farmers

every week. Many of these men are seriously thinking of buying some pure-bred pigs. Thru a short ad. on this page you can get in touch with these possible purchasers. Here is a specimen ad.:

IMPROVED YORKSHIRES FOR SALE—
six weeks old. Boars \$12, Sows \$10. John
Smith, Johnston, Man.

At 4 cents per word this ad. will cost 68 cents per issue. Thus by spending \$2.72 you could have this ad. appear in four issues and we are confident that it would enable you to sell what stock you have for disposal.

Write out your ad. today. Tell us in how many issues of The Guide you wish the ad. to appear. Enclose in your letter money order sufficient to cover the cost of your ad. and we will do our best to make your outlay profitable.

GRASS SEED

FOR SALE—HOME GROWN, WELL RIPENED,
government tested Timothy seed, which I
specialize growing. Order now and sow till
snow flies, \$8.50 per 100; 9 cents less than 100
lb. lots. Jno. McD. Davidson, Coaldale, Alta.

TO IMPROVE THE DAIRY HERD

Treat cows gently and avoid excite-
ment.

Be regular in time of milking.
Keep stables clean, well-lighted and
ventilated.

Weigh the milk of each cow at milk-
ing time.

Get your neighbor to share with you
in owning a Babcock milk tester, and
test the produce of each cow.

Discard the animals which have failed
at the end of the year to pay for their
keep.

Breed your cows to a pure-bred, regis-
tered dairy bull from a family having
large and profitable production of butter
fat.

Raise well the heifer calves from cows
which, for one or more generations, have
made large and profitable productions
of milk and butter fat.

Breed heifers to drop their first calves
at 24 to 30 months of age. Give cows
6 to 8 weeks' rest between lactation
periods.

Join a dairy cattle breeders' associa-
tion. It will help you keep posted and
in touch with the best and most modern
ways of managing your dairy herd.—
George C. Humphrey, University of Wis-
consin.

The Sale of Liquor Act OFFENCES and PENALTIES

Notice is hereby given that The Sales of Liquor Act passed at the Session of the Legislature just closed prohibits any person from selling, bartering or exchanging or exposing or keeping for sale, barter or exchange any liquor in Saskatchewan except as provided in the Act.

Any person guilty of a violation thereof is liable:—

1—For the first offence to a penalty of \$200.00 and imprisonment for three months and in default of payment forthwith after conviction to a further term of thirty days imprisonment.

2—For a second or subsequent offence to a penalty of \$300.00 and imprisonment for six months and in default of payment forthwith after conviction to a further term of three months imprisonment.

Amongst other things the Act prohibits:—

1—Opening sealed packages of liquor unless same have been purchased at a provincial liquor store.

2—Opening packages of liquor on provincial liquor store premises.

3—Purchasing liquor from provincial liquor stores under a fictitious name.

4—Fraudulently using seal or label of Commissioner under the Act.

5—Obtaining liquor by purchase, barter or exchange from any unauthorized person in Saskatchewan.

6—Bribing employees of liquor stores.

7—Drinking liquor publicly on street cars or trains.

8—Delivering liquor to any other person than the consignee.

9—Delivering liquor to person under fictitious name.

10—Consuming liquor at any place within an incorporated city, town or village, or within a hamlet except in a dwelling house.

The expression "dwelling house" means and includes every house or other building or any part of a house or other building which is bona fide occupied and used solely as a place of abode, but shall not include any house or building or any part of a house or building connected by an internal way or communication with any store or with any building in which liquor is manufactured, compounded or kept for sale or sold.

11—Keeping or consuming liquor upon the premises of any club whether incorporated or not or upon the premises of any licensee of a public hotel or any other licensed place of public accommodation or in any building any part of which is used as a livery or feed stable, lumber office, grain elevator, grain elevator office or engine room or automobile garage.

This prohibition does not extend to the keeping or consumption of liquor purchased under the provisions of part 3 of the Act dealing with prescriptions and physicians, veterinarians and druggists.

12—A person engaged in the business of selling soft drinks from having with such soft drinks any intoxicating liquor.

13—Compounding or compounding prosecutions. The punishment for the above offences varies with the seriousness of the offence, but in no case is the convicting magistrate permitted to impose less than half the maximum penalty or half the maximum imprisonment provided.

This notice is not intended as a complete list of the offences under the Act, but merely a notification of some of the general offences thereunder.

Copies of The Sales of Liquor Act will be furnished without charge upon application to the Government Printer, Regina.
