

MARRIAGE A WILD MANIA.

A Chinese Broker Engaged in a Marituous Traffic—How the Mongolian Acquires the Habits and Customs of the Lower Classes—A Woman Married to Four Men in Six Months.

About two years ago an old hag named Ah Lee lived in one of the end-ways leading off Washington street. Her business, which was of the most dishonest kind, was to buy up all the accumulated wealth sufficient to retire. Longing one more to see her native land, she embarked on a vessel bound for the city of Canton.

Upon her arrival in China she was introduced to a man named Mr. Wang, who was a money to account, she invested a portion by loaning it to her putative sister.

AROUND THE WORLD.

—British military officers are greatly excited at having to wear uniforms when off duty.

—Patsy Devine, an Illinois murderer under sentence of death, while awaiting the time in prison by practicing juggling.

—Twenty American cities to-day contain over 100,000 people each; twenty American States contain over 1,000,000 people each.

—A recently deceased John Dick, of Warsaw, N. Y., had a right to sit in his pew in the German Lutheran church with his feet elevated upon the back of the seat in front of him.

—Many remarkable incidents took place at the late English election, but probably no more extraordinary than occurred in any election since the days of the Stuarts.

—Mr. Moody was followed by his lodgings a fortnight ago by a convict who wished to ask him whether it would be right, now that he had professed to be a Christian, to pay him his money back.

—A clever literary English member of Parliament has a very curious arrangement in the title of the late issue of "The Irish Predecessor" of the late issue of "The Irish Predecessor."

—A very curious and interesting letter has just been found among the papers of the late Cardinal, which was written to the Emperor of Russia in 1877.

—The amount won in racing since the first of the year, including the Grand National, was over £1,000,000.

—The vege was drawing rapidly to a close. Measures must be adopted and schemes contrived whereby she would not be a burden on the State.

—Sheik Moghreb, an Egyptian dignitary, has been condemned to death for murdering the Chinese Ambassador in Peking.

—A watchmaker of Copenhagen has constructed a clock that does not wind up.

—A measure is now being considered in the Swiss Assembly which makes the owner of a factory in which establishment any employee is killed or injured by machinery.

—Lord Herries, the newly appointed Lord-Lieutenant of the county of Devon, is a very old Roman Catholic family.

—The farmers of Austria are organizing in great numbers and agitating for a tariff to be put on the importation of grain.

—A comic London paper, "Moonshine," has a very amusing article on the "invisible" behind an iron bar.

—The Boston School Committee has resolved to give the school children a holiday on the day of the late Pope Pius.

—A London paper says that Charles Stuart, who styles himself Count Albany, and who claims to be a descendant of the young King of France, has arranged and sorted all his papers relating to the Stuarts.

—The College of Cardinals in Rome have undertaken to erect a statue in memory of the late Pope Pius.

—A correspondent of the London Daily News, writing from Cannes says: "I want you to give a word against that hell of a neighborhood, Monte Carlo."

—Bruno Hildago and Juan Paves, wood-choppers near San Antonio, Tex., had a violent quarrel in the forest while at work.

—The Republic of Andorra has been governed from time immemorial by the French and Spanish Bishops.

—A correspondent of the London Daily News, writing from Cannes says: "I want you to give a word against that hell of a neighborhood, Monte Carlo."

—Bruno Hildago and Juan Paves, wood-choppers near San Antonio, Tex., had a violent quarrel in the forest while at work.

THE INFLUENCE OF THE PRESENTATION TO WHICH THE JEWS HAVE BEEN SUBMITTED IN GERMANY IS VISIBLE IN THE ATTEMPT WHICH HAS JUST BEEN MADE BY PERSONS UNKNOWN UPON THE LIVES OF PROMINENT JEWISH RESIDENTS OF TRIESTE.

Letters have been sent, through the post-office of the city that exploded upon being opened. No serious injuries have been reported as the result of these attempts, but that fact is hardly to be attributed to the benevolent intentions of the persons by whom the mistakes were made.

—The nineteenth century of Virgil is to be commemorated by erecting a monument to him in Mantua, his birthplace.

—Miss Burdett Couthe marries Mr. Bartlett. This will be a Barlett Pear. This joke was invented by a promising young man, and is printed in the hope that the public execution will deter him from any attempts of the same kind for the future.

—In the trial of Mrs. Brown, who has twice been convicted of murdering her husband, at Indianapolis, the prosecutor dealt with great severity on her for Weas, but she acquiesced in the crime. The prisoner interrupted him by screaming, "You are killing me! Oh, don't let me live any longer!"

—A clever literary English member of Parliament has a very curious arrangement in the title of the late issue of "The Irish Predecessor" of the late issue of "The Irish Predecessor."
