Half of the staff at the telephone exchange were off on Friday and the ranks were further depleted on Saturday. Still the service went on as usual. With half of our physicians down, Mrs. McIvor has been doing most praiseworthy work for the past week, and on Sunday was so that, in the absence of action by the Board of Health, Mr. Crabb, chairman of the charity committee, who

guarantees that Germany's part will not be a scrap of paper.

This in a few words is the President's answer.

The destriction of the President's answer.

The dispatch of the President's reduced the scrap of the Swiss Legation which may be more than an unconditional surrender allied diplomats and American officials believe it may cause a revolution in Germany.

Beyond question it speaks for the Entente allies as well as the United States.

No Relaxation of Effort

The dispatch of the President's reduced to the German people, was delivered to day by Secretary Lanting for the Charge of the Swiss Legation who has been acting as the intermediary. It was given out publicly by Mr. Lansing at the State Dopartment at 6 o'clock this evening.

The dispatch of the President's reduced on arranges the situation for something more than an unconditional surrender base it on the argument.

The dispatch of the Prosident's reply was followed by the issue of this formal statement at the White House by Secretary Tumulty:

"The Government will continue to send over 250,000 men with their supplies every month, and there will be no relaxation of any kind."

Quite outside of the formal phrases of a diplomatic document that was President Wilson's word to the

As the Result of Fires in Minnesota

By Courier Leased Wire
Duluth, Minn., Oct. 14.—A large section of Northeastern Minnesota—three days ago a busy and prosperous business and farming country—to-day was a smouldering ruin with hundreds of bodies of men, women and children, many of them burned beyond recognition, when about the countryside, as the result of forest fires.

countryside, as the result of forest fires.

Lattest estimtaes place the death list at close to 1,000, although no official figures were available early to-day. Hundreds of persons are more or less seriously burned, thousands are destitute and homeless and the property loss will run into many millions of dollars.

At least a dozen cities and towns were destroyed. The worst blazes were at Moze Lake, Kettle River and Cloquet. In Moose Lake and immediate vicinity it is estimated more than 300 persons perished in the flames. Between 300 and 400 cotfins have been ordered sent to this
