ST. THOMAS EASY

Chatham Outplays Them at Lacrosse
Winning by the Score of 6-1—
Locals Too Fast.

Of Saturday's encounter at the Agricultural Grounds between the Chatham and St. Thomas lacrosse teams it can be said that Chatham won 6-1. It can also be said that the victory was due to superior work on their part. After the first five minutes of play the game was over in doubt—our home was fast and their shooting accurate, while the defence was adamant. The game became interesting on account of the inability of the Saints to do anything to it. The saintly aggregation were never in the running, not making during the whole game a decent shot on the Chatham goal. Only good playing by their defence, especially by Outhbertson, saved them from utter rout.

The game started nearly on time—something much appreciated.

First quarter—Play started with a rush on the St. Thomas goal. Up and down the field went the play, Stewart sending in a hot shot, the Saints goal keeper robbing him of a score. Outhbertson, of the Saints defence, showed up prominently. The shooting of St. Thomas was weird to behold. Sizzling shots were contributed by Maroon, Grace and Ross. Stewart finally succeeding in scoring. Pretty passing down the field from Maroon to Grace to Leaderoute, who shot, contributed another. Near the end of the quarter Ross again delivered the goods, the quarter ending with the score 3-0 in favor of our boys. Leaderoute was hurt during the quarter but continued play with a bandaged head.

Second quarter—The men from the railroad city started off with a rush but the Chatham defence was granite and they dashed against it in vain. Maroon, who was ruled off, signalled his return by immediately scoring. Then occurred the kicking spectacle of a free fight between Stewart and Leddy of St. Thomas, from which both emerged covered with gore, Stewart having to leave the field to have his wounds dressed. If it is necessary to have these bouts they should be pulled off in the agricultural building, seeing that there are ladies in the grandstand possessed of tender feelings. One unfortunate feature was the action of Grace, a Chatham player, who lost his head and mixed in the fight. He struck at Leddy with his stick but hit Stewart, inflicting a severe scalp wound.

Third quarter—Maroon showed up in this quarter, particularly as a hard worker. His work is brilliant. At one time three of the wearers of halos were on the fence together. When they were thus crippled Grace made the score 5-0.

Fourth and last round—St. Thomas indulged in some weird shooting, apparently having too great respect for the Chatham defence to drill in. Their playing was so dippy that Maroon was able to work in that moss-covered, time-honored trick of running around the goal and throwing the ball in from the side—6-0. Near the end of the quarter the Saints one post, Quessell in a scrimmage—

6-1. Leaderoute received another vicious crack on his grey matter, sending him out of the game for good.

Nelson Stringer has moved his hide business from the corner near the Third St. bridge to the store adjoining the Northwood Company on King St. The Electric Railway Company will tear down the old Stringer building this week to make room for their car barns.

LULU WILKINSON DIES

Tired of Wayward Life Young Woman Drinks Acid.

Discharged From Mercer Reformatory Only Two Days Ago, She Commits Suicide Before Crowds on a Toronto Street—Miss Rebecca Bremner Loses Right Arm and Leg In Trolley Accident—Drowned in the Don.

Toronto, July 4.—Dead by her own hand, Lulu Wilkinson lies in the morgue of the Emergency Hospital.

Shortly before 9 o'clock the woman went into the Hargreaves Drug Store on West Queen street, near University avenue, and asked the clerk for a quantity of carbolic acid. She was handed the bottle containing the poison and was asked to sign the record book. As she did so, her hand trembled. She signed her name "Lulu Wilkinson, 65 Ulster street."

Walking quickly out of the door, she crossed to the entrance to the old Waverly Club, near Simcoe street. Standing there in the shadow, she raised the bottle to her lips and swallowed the poison. In doing so, the acid spilled over her mouth and lower part of her face.

She walked to the pavement, and, half walking, half running, turned the corner of Simcoe street, and sank to her knees, giving vent to a wild scream of agony. Pedestrians stopped and rushed to her aid. She was taken to the hospital, where she died in a few moments.

A policeman was sent to the address given by the woman when she secured the poison, and found that her uncle, Robert Armstrong, resided there. He said that the woman had been committed to the Mercer some time ago, and had finished serving her sentence only two days ago. She had not visited him since her release, and he was at a loss to give any reason for her act other than she was tired of the wayward life she had led.

LINDSAY EDITOR SUICIDES.

A. W. Mallett of Watchman-Warder Shoots Himself.

Lindsay, July 4.—While temporarily insane A. W. Mallett, an editor of The Watchman-Warder, took his own life Sunday morning in the press room of the office. He was found shot through the heart.

A Boer rifle, which Col. Sam Hughes had presented to Mr. Mallett on the colonel's return from South Africa, was found by the side of the dead man with an empty shell in the breach.

Mr. Mallett had been troubled with insomnia for weeks. Loss of sleep and weak nerves had rendered him unaccountable for his action.

An inquest was held and the verdict rendered was temporarily insane.

DROWNED IN THE DON.

Toronto, July 4.—After seeing his 7-year-old chum, Harry Hale of 90 St. David street, drowned in the Don in an effort to untie an old stump yesterday afternoon, John Scott, a 10-year-old lad, took to his heels and ran home. Neither Scott's parents nor the mother of the drowned lad knew anything of the fatality until four hours later, when the latter's anxiety over his absence prompted her to make a search. It was then that young Scott told of the drowning.

Run Down by Street Car.

Toronto, July 4.—Run down by a Queen and Dundas car on Queen street last night, Rebecca Bremner, aged 18, of 126 Elizabeth street, had her arm and leg amputated at the Emergency Hospital. Though she is weak from the loss of blood, the woman has a chance for recovery.

Jolted From Wagon, Shock Kills.

Toronto, July 4.—Jolted off his delivery wagon, James Marchmont, aged 48, of 513 Preston street, fell upon his head upon the pavement and died from the shock last night.

Sank in Hot Sand.

Hamilton, July 4.—William Clay, 507 North James street, was severely burned yesterday afternoon at the rolling mills. He sank up to the waist in hot sand.

Fell Under the Wheels.

Perth, July 4.—John Cameron of Winnipeg was accidentally killed at the C. P. R. depot yesterday morning. Deceased had been attending the Old Boys' reunion, and had gone to the midnight train to bid good-bye to a number of old friends. He boarded the train, and while it was in motion fell under the wheels and was killed.

Girl Burned to Death.

Pembroke, July 4.—An eight-year-old daughter of Alex. Barnett was burned to death in a fire that broke out at 1 o'clock Sunday morning. Mrs. Barnett was going down stairs with a lamp in her hand when she tripped and fell, the lamp exploding.

THREE BOYS ON A RAFT.

Drifted Out into Lake 10 Miles at Collingwood.

Collingwood, July 4.—A drowning accident was narrowly averted yesterday by the presence of mind of an 8-year-old boy and his two brothers, aged 4 and 6.

The three boys, sons of Policeman Williamson, went down to the town park on the lake shore about 10 o'clock, and the two older boys went in for a swim, and taking their little brother with them on a raft.

There was a severe strong wind blowing off shore and before the little fellows were aware of it they were drifting out into the lake.

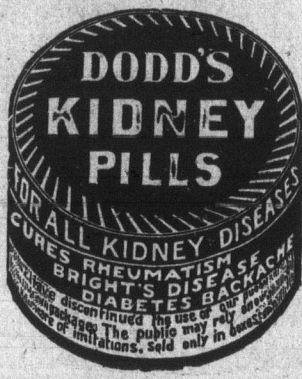

Some one discovered their clothes, and a searching party was organized. The little fellows were given up for lost, but hope was a launch was secured and steamed out into the bay. When darkness was coming on they caught sight of a tiny speck and made for it.

The three boys were still clinging to the raft, which was becoming heavier as they went out.

They were nearly ten miles from land.

A C. P. R. Purchase.

ECHOES FROM ERIEU

Erieau—that ever popular and alluring summer resort—is being rapidly re-peopled for the ensuing season. Each day records the filling of additional cottages and the summer promises to be an exceedingly busy one. Many Clevelanders are settling there for the summer, and the Chatham and Blenheim cottages are practically all filled.

Yesterday was a busy day for the boat owners. One by one the yachts were launched and soon the waters were speckled with white-winged fliers. Some splendid fishing was also indulged in, the catch of the day being a huge muskellunge weighing over 16 pounds by Thos. Medlicote, his brother-in-law and James Oldershaw.

The cottagers were delighted to find that the popular Conductor McGarvey is again in charge of the train service. Mr. McGarvey's unfailing courtesy, efficiency and kindness, often in the face of exasperating circumstances, has made him a great favorite and much esteemed by the cottagers.

THE FIRST SPIKE

R. E. Kizer of the Railway Company Drives It Home—Will Choose a Lady to Drive the Last One.

The first spike driven in the construction of the Chatham, Wallaceburg and Lake Erie Electric Railway was hammered home yesterday afternoon about four o'clock by a young man, R. E. Kizer, a director of the Railway Company.

The act of driving the first spike in the construction of any new railway is always a coveted one, and the honor and distinction this time fell upon Mr. Kizer. The nail was driven on the corner of Third and Wellington streets, and the ceremony was witnessed by a limited few—Mr. Warburton, Mr. Whelan, and a few of the foremen of the construction gang. Mr. Kizer looked after his part of the ceremony well, and the old time-honored custom of celebrating the event by breaking a few bottles of champagne was not overlooked.

The last spike driven, which denotes the completion of the road, is always a gold one, and it is customary for a lady to perform the act of driving it. Mr. Kizer having driven the first one, now has the privilege of saying who this lady will be, so it is no wonder that some of Chatham's society girls are already becoming sweet on Mr. Kizer. As the gold spike will not be driven until some time in September, it is expected that "Bobbie" will have a fairly good time in Chatham this summer.

HONORED HIM

At the close of the service in Park St. Methodist Church last Sunday morning, the congregation were requested to remain for a few minutes when the following address was read and presentation made by Mr. W. E. McKeough and Mr. S. F. Gardner:

Chatham, July 2nd, 1905.

MR. JASPER WILSON,

Dear Friend and Brother,—On behalf of the congregation and officials of Park St. Methodist Church, we desire to publicly express to you our appreciation of your services in our choir during the last two or three years. You have freely given your assistance wherever it was needed, and whether in solos, in duets or in the full anthem, your rich, strong, and sympathetic voice has delighted the congregation. We feel that we could not let you go from us without expressing to you our regret and sense of loss. We wish you good success in your future sphere of usefulness, and pray that God will abundantly bless you.

We ask you to accept this small purse of gold as a token of our esteem and gratitude, and to remember that you have left behind you many warm friends in Chatham.

(Signed),

S. BARFOOT, Recording Steward.

S. F. GARDNER, Treasurer.

W. E. McKEOUGH, Chairman of the Musical Com.

Mr. Wilson, being taken by surprise, was unable to reply at any length, but wishes to do so now:

My Dear Mr. McKeough, Officials and Members of Park St. Church,—I need not say that you have taken me by surprise, and I am so entirely overcome that words fail me to express my gratitude to you, not only for your generous gift, but for the words contained in the address just read, (but which I am afraid are entirely too flattering), but the knowledge that my services have been made a source of help and blessing to you in any way, makes me feel that I am more than repaid for all the effort I have put forth in this direction.

I again thank you for these beautiful words of appreciation which I shall hold as a treasure more precious than gold, and assure you that the people of Park St. Church, the church of my childhood, will ever have a warm place in my affections, and should it ever be my privilege to serve you, in any capacity whatever, I will most cheerfully do so.

Sincerely yours,

JASPER E. WILSON.

CLEVELAND WINS

An Interesting Game of Cricket on Tecumseh Park Yesterday—Good Work by Both Teams.

Yesterday's game with Cleveland was a nerve racker. Chatham won the toss and, going to the field, made 63 in their first innings. Cleveland in their innings knocked out 74. About four o'clock the locals went in for their second innings. By five o'clock all their wickets had fallen for 51. Cleveland in their second innings batted out the necessary 41 runs they had to make for the loss of men, thereby winning the match by the close margin of three wickets. For Chatham W. B. Wells played well for his in the second innings, as did Dr. Sullivan and Percy Miller.
