THE ACADIAN
 WOLFVILLE, N.S., NOV 26, 1886
Local and Provincial.

THANKS.—Our old friend D. F. Boyd has our thanks for late Boston papers.

NEW CALENDARS.—The Dickinson type foundry, of Boston, Mass., has our thanks for their pamphlet of calendars for the year 1887, comprising a great variety of very pretty designs.

PULPITS.—Rev. Mr. Dawson, of Can. and preached in the Presbyterian church last Sunday afternoon. Rev. Mr. Ross preached at Canard. Rev. W. B. Boggs preached in the Baptist church Sunday morning.

CHANGE IN POST OFFICE.—The post office at Grand Pre has been removed to the building formerly occupied by Mr. Ois Tremblay, next door to Dr. Chipman's, and is now under the care of Miss Annie Stewart.

KING'S COUNTY TO THE FRONT.—An English paper called *Lancet* publishes a cartoon of the Canadian officials and principal exhibitions at the Colonial and Indian exhibition. Among the Nova Scotians who figure in the cartoon is C. R. H. Starr, Esq.

25 Cakes "Mayflower," the best "water white" oil in the market, at R. PRAT'S.

NEW TIME TABLE.—We would direct the attention of our readers to the new time-table of the W. & A. Ry. in this issue. The principal change in trains passing here is in the evening express, the time being changed from thirty four minutes past five, to eight minutes past five, local time. Some considerable changes have been made, however, in the sailing of steamers.

Black and Brown Fur Trimmings from 25c to \$1.50 at BURKE WITTE'S.

BADLY MASHED.—While coupling cars at Windsor on Friday evening last, Jas. Dikens, a brakeman on LeCain's train, had his left hand badly mashed between the draw-bars. It was thought at first he would lose a part of the hand; but we are pleased to learn that it is now thought that amputation will be unnecessary.

Mr. Dikens is an old brakeman and has been singularly fortunate, this being his first accident in sixteen years "breaking."

Choice Imported and Domestic Cigars at 3, 4, 5, 7, 8 and 10 cents at J. M. SHAW'S 35

THE APPLE TRADE.—There has been a constant "boom" in apples here during the past few weeks. There is hardly a time but when loaded teams may be seen on our streets. Cars are being constantly loaded at the R. R. station, and cars coming in by every train from the western part of the county unloading at the wharves. The shipment by rail for England this week will amount to somewhere near 2,000 barrels, and by vessel for New York over 1,000 barrels. The W. & A. R. finds it difficult to supply cars fast enough at the different stations on the line.

Cedar Posts for sale low at S. R. SLEEP'S.

WEDDING BELLS.—Eheu fugaces! Another daughter of Acadia has descended the ranks of her fair maidens for those of her still fairer matrons. On Wednesday morning, Miss Carrie B. Payant, third daughter of Dr. E. N. Payant of Wolfville; and Hilton A. P. Pitt, Esq., of Bermuda were united in the holy bonds of matrimony. The interesting and withal solemn ceremony, which was witnessed by a large number of relatives and friends of the "high contracting parties," was solemnized in the Baptist church of this town: the Rev. T. A. Higgins being the officiating minister. The bride, who wore a dark brown travelling costume (quilted plaid skirt and plain over-skirt trimmed with plush of the same color, brown travelling jacket and plush hat) was attended by her bridesmaid, Miss Bessie Payant, who wore a brown walking dress, Mr. U. S. Bigelow acting as best man for the groom. As the bridal party entered the sacred edifice, which was beautifully and chastely decorated with flowers, the organ played the "March in Tancred" (Romaine) and on the completion of the service the sweet strains of Mendelssohn's "Wedding March" were heard. The happy couple left by the morning train for St. John en route for their wedding tour, carrying with them the sincere and heartfelt wishes for their life-long happiness of all who had the honor and pleasure of knowing them. The wedding presents were very numerous and handsome and if they are for Mr. and Mrs. Pitt we predict, and wish for them a life together of increasing happiness. We believe Mr. and Mrs. Pitt will reside for some time at least in Bermuda.

FOOTBALL.—Footballists are looking forward to a good time here to-morrow. It is expected that matches will be played between Acadia and Dalhousie, and Acadia and Kings. Good games are looked for.

It is a fact that BURKE WITTE'S is selling of his stock Ladies Mantles at a large reduction in price.

LECTURE.—On next Friday evening Rev. W. B. Boggs will lecture in College Hall, before the Athenaeum, on "Scenes on the 'Overland Route' and in the Far East." All should hear the lecture which promises to be very interesting.

NEW PAPER.—The Bridgewater Enterprise is the latest newspaper received by us. It takes the place of the Lunenburg County Times, and will no doubt fill a "long felt want" in the county of Lunenburg. We wish friend Oxner every success in his new venture.

2 doz. "Solar Star," 60-candle-power lamps, just received and for sale very low, at R. PRAT'S. 14

POTATOES.—The schrs. Windsor Packet and Cecilia are now loading at this port with potatoes. These will be the first cargoes shipped from here this season by water. The price paid is 25 cents per bushel, and the farmers don't seem to be very anxious to sell at that price.

TAKE NOTICE.—If your razor is dull, take it to J. M. Shaw's Barber Shop, and he will put it in first-class order for the small sum of 15c. 10

HYMENEAAL.—In another column will be found the marriage notice of Mr. A. M. Hoare and Miss Florence E. McKen of this place. They are both deservedly popular in Wolfville where they have many warm friends; and all who know the happy couple wish them a life of continued happiness and prosperity. The ACADIAN extends heartiest congratulations.

If you wish to color wool, cottons silk or feathers, use the new **Electric Dyes**, Strongest and Best in the world. 10 cents at all dealers.

SIXTIETH YEAR.—The Youth's Companion celebrated this year its sixtieth anniversary. It might well be called the "Universal Companion," so widely is it read and so widely adapted to all ages. Its contributors are the most noted writers of this country and of Europe. Among them are W. D. Howells, J. T. Trowbridge, Prof. Huxley, The Duke of Argyll, The Marquis of Lorne and Princess Louise, Archdeacon Farrar, C. A. Stephens, Admiral David Porter, Lieut. Schwatka, and many others. We do not wonder that the *Companion*, with such contributors, has nearly 400,000 subscribers. It costs but \$1.75 a year, and a subscription sent now is credited to January, 1888.

Having recently imported a "Perfection Shear Sharpener," I am prepared to sharpen and put in first-class order shears and scissors of every description. Perfect satisfaction guaranteed. J. M. SHAW, Wolfville 35

BAPTIST YEAR BOOK.—We have received the Baptist Year Book for 1886. The book contains 220 pages and is filled with much valuable information especially to the Baptist denomination, but is also a very useful book to any one. It contains the minutes of the eight associations—four of which are in N. S. three in N. B. and one in P. E. I., reports of Home Missions, Foreign Missions, education, church sustentation, Sabbath-schools periodicals and book and tract society, together with statistics of churches, missions, and all the principal matters connected with the denomination. In the maritime provinces there are 357 churches, 43,463 members and 2,508 baptisms during the year. The following are the numbers in Canada, U. S., Great Britain and the world:

Churches	Members	Baptisms
Dom. of Can.	750	21,808
United States	28,953	16,191
Gr. Britain	2,593	2,572
World	38,215	23,616

The contributions for missions and benevolent purposes during the year aggregate \$19,037 divided as follows: home missions \$5,096, Acadia college \$4,575, relief of infirm ministers \$500, ministerial education \$500; collected by the women's societies \$3,110. The home mission board expended \$8,240; the foreign mission board expended \$8,357. Taken as a whole the book shows a record that Baptists of the maritime provinces may well be proud of.

The Celebrated Electric Dyes are the most lasting of all colors. War-ranted strictly pure. 10 cents at all Druggists and Crocers.

CHATTY LETTERS.

[We would be pleased to receive short spicy letters for this column and will answer if possible any questions that may be asked and give any information in our power.]

DEAR ACADIAN:—We think your article on "Farmers encourage your Sons" is quite to the point, and although we are not used to writing for a paper we want to let you know we are pleased with it. Yours, FARMER'S SON.
 [We are pleased to know that the article in question was appreciated by the farmers' sons themselves. They are the hope of this or any other country.—Ed.]

DEAR SUBS:—Can you give me the address of any Canadian paper containing a puzzle column? and oblige, N. E. M.
 [We would recommend the *Farmer's Advocate*, of London, Ont., as having an excellent puzzle department.—Ed.]

EDITOR ACADIAN:—We notice in your columns that a Nova Scotia farmer raised forty-two bushels of wheat from one and three pecks. Is not this pretty good for this Province?
 [This is indeed an abundant return. We consider Nova Scotia one of the best countries in the world for farmers.—Ed.]
