Health for a Shilling; HOLLOWAY'S PILLS. EXTRAORDINARY CURE OF LOSS OF HEALTH, DISORDERED STOMACH, INDIGESTION AND DETERMINATION OF BLOOD TO THE HEAD. Copy of a Letter from Mr. John Lloyd, of Errol, near Harlech, Merionethshire.

To Professor HOLLOWAY. Sir,—I avail myself of the first opportunity of informing you, that for a very long period, I was afflicted with a dangerous giddiness and frequent swimings in the head, attended by loss of appetite, disordered stomach, and generally impaired health. Every means had failed to give me any permanent relief, and at length it became so alarming, that I was really afraid of going about without an attendant. In this melancholy condition, I waited purposely upon Mr. H. G. Chemist, Harlech, for the purpose of consulting him as to what I had better do; he kindly recommended your Pills, I tried them without delay, and after taking them for a short time I am happy to bear testimony to their wonderful efficacy. I am now restored to perfect health, and enabled to resume my usual duties. You are at liberty to publish this letter in any way you may think proper.
