IN MEMORIAM

In loving memory of our beloved brother Lester Perlin Parker, who died May 13th 1918.
A year has passed, our hearts still sore,
As time flies by we miss him more,
His loving smile, his welcome face,
No one can fill his vacant place.
Forget him not! We never will.
His memory is as fresh today as in the hour he passed away.

HAPPY HOUR --- THURSDAY

A REAL ACTRESS—A REAL PICTURE

The New York World says:—With Priscilla Dean in the title role, this terrific story of a modern Joan of Arc, who led an Apache band against the Huns at the gate of Paris, proved enthralling to great crowds.

Miss Dean enacts a powerful role in which she is never still for a moment. Great passion sways her very soul, and in this passion she finds herself. The drama is a beautiful production, beautifully conceived and wonderfully well directed. Miss Dean's support is splendid and her interpretation of the Wild Girls of the slums is enthralling.
