Special Evening Telegram,

CONSTANTINOPLE, Oct. 8 Martial law has been proclaimed in the city and suburbs. The impression prevails here that Montenegro in declaring war acted at the behest of the league of Balkan nations, with the object of blocking the proposed inter vention of the Powers.

Special to Evening Telegram.

BELGRADE, Oct. 8 Reports have reached here that Montenegrin troops have crossed the Turkish frontier. The Servian parliament to-day, voted an extra credit of \$8,900,000 for military purposes, while merchants of this city are making large donations. Funds are being raised for the assistance of poor families whose breadwinners have been called upon for military service.

SOFIA, Oct. 8. The Austrian and Russian ministers have made joint representations to the Bulgarian government on behalf c the Powers to-day. They informed Bulgaria that the warlike attitude of the Balkan States, and urged upon them a prompt cessation of military concentration. They advised the Government to leave to the cabinets of the great Powers the task of assuring Macedonian reforms.

PARIS, Oct. 8. Bulgaria, in reply to the Powers will thank them for the interest manifested in the cause of the Balkan people. After setting forth the exact ask the Powers to obtain from Turkey a similarly precise statement of Turkey's proposed programme of reform. The correspondent adds,- Bulgaria cannot afford to brook delay, as this would compromise her military situation. Concentration of troops by Bui garia is almost complete. It is expect ed that strategic points on the frontier will be occupied to-morrow, possibly producing skirmishes between them and the Turkish advance posts. Czar Ferdinand may leave for the front to-

Special to Evening Telegram. LONDON, Oct. 8.

The outbreak of war caused no surprise here but the quarter in which i started was unexpected. Prompt action by the allied Balkan nations and Greece was looked for, instead of the initiative being taken by the weakest among them. The official world here now awaits the announcement that Bulgari. Servia and Greece have also Turkey. It is assumed that they have chosen to-day for launching war, 3 that they may reply to the protest which Austria and Russia are serving on them on behalf of the Powers, that it comes too late. Should a general state of war be declared to-day, experts consider that no important engagements can be expected before Oct. 15th, and perhaps another week from that date will be required for the Bulgarian and Turkish armies to come into contact in the region of Adrianonle, where the first clash of arms on a large scale is considered most prob-
