Ever Held in St. John's--

A Monumental Sale Emphasizing Choice Stocks, Important Changes and Improvement

During the past few months the "BROADWAY" Store has taken an important step forward. With the addition of another store, with bigger, more varied stocks of merchandise, new vistas of shopping have been opened up. Transformations of some of our floors have been made, going on with the introduction of new departments and moving of others for greater effectiveness. Increasing efficiency has come with every new move. To definitely record these changes and improvements in the public mind, we are "BROADCASTING" ourselves in this Sale. Its values are most extraordinary—prices infinitely less than in any Store in St. John's—they must be, for this is the governing rule of the "BROADCASTING" Sale.
