London-Peterborough Game To Be Played Over

On Account of Charges of Roughness—
Nov. 10 the Date—Petrolia Carriers Reorganized—Various Sporting Events.

FOOTBALL.

LONDON VS. PETERBORO.
Toronto, Nov. 1.—The Ontario Rugby football executive met here yesterday. Messrs. Gilmore, Hennessy and Kerrigan, of the London club, were given until next Friday to reply to the charges of rough play lodged against them by the Peterborough team. The Peterborough-London game was ordered to be played over at London on Nov. 10.

RECOMMENDED.

Under the spreading beecher's shade
The brown hawkback stands
A feathered harness on his head,
And blisters on his hands.
The lungs within his steel-ribbed chest
Can hold no more than twelve bands.

Week in, week out, from morn till night,
He bolts his Prots to go
And pent the glasses through the mud
And near the trainers bow.
They fall on him when he's too swift
And kill him when he's slow.

His hair is but a muddy mop;
A war map is his brow;
He feeds on oatmeal—uncooked chop,
He bores—mud, mud, mud, mud,
Yet in this life he has his reward
Exceeding great, I row.

High on the club drag's topmost seat
A winsome figure stands;
She snubs the other men, and yet
His praise from all demands.
She screams his college yell, and
Her roars in his hands.

BABY LAUGH

It belongs to health, for a baby, to eat and sleep, to laugh and grow fat.

But fat comes first; don't ask a scrawny baby to laugh; why, even his smile is pitiful! Fat comes first.

The way to be fat is the way to be healthy. Scott's emulsion of cod-liver oil is the proper food, if he needs it; but only a little at first.

We'll send you a little to try if you like.

Leading Conservatives in New Brunswick State Their Position.

A Moncton, N. B., dispatch says: The campaign of Hon. H. B. Emmerson in Westmorland, N. B., is being crowned with success. The premier of the province is addressing crowded meetings every day. On Saturday last at Fox Creek he received the adherence of twelve Conservative allies of prominence, leaders among the Acadians, Hon. A. D. Richard and Dr. E. T. Gaudet.

Mr. Richard stated that the Conservatives had made promises of prosperity, but that prosperity had not marked Conservative rule. Under the Liberal Government the country was flourishing and prosperous. He had changed his political allegiance because of his conviction that the present government had heard the interests of the people and of the country. Mr. Richard spoke of the predictions of success made by Sir Charles Tupper in 1896, and said that Hon. John Costigan had broken with the Conservatives because of his disgust with their duplicity.

Dr. E. T. Gaudet said that for many years he had been a Conservative, but in face of what had been accomplished by the Liberals, he would be false to his duty towards his country if he failed to give them his support now. In the Liberal Government were assembled the most eminent men from the different provinces, and they made an administration the strongest in the history of Canada. He added: "I have seen the Liberals at work during the past four years. The workmen are in easy circumstances and the country is prosperous. I say I have turned Tory. I am proud of it."

J. M. Phinney, formerly Conservative, M. P. for Kent, N. B., and one of the heads of the Conservative party in the New Brunswick Legislature, has also openly declared his support of the Liberal Government. He said in a speech at Fredericton, Mr. Phinney occupied a seat on the platform by the side of Mr. Blair.

In addition, Mr. H. T. Stevens, once a Conservative member in the New Brunswick Legislature and formerly editor of the Moncton Times, a strongly Conservative paper, giving his aid as a speaker in support of Mr. Emmerson, Liberal candidate in Westmorland.

Mr. Gibson, the Liberal candidate in York, supported Mr. Foster at the last elections.

A change has come over the face of things in New Brunswick, and instead of nine Conservatives being returned and five Liberals as in 1896, it will this time be eleven supporters of Laurier and three Tupperites.

COLORED MAN WON.

Chicago, Oct. 31.—George Byers, the colored middle-weight of Boston, in his fight with Tim Murphy, of Australia, proved a disappointment to the 5,000 spectators. Byers got the decision after six rounds of tame fighting, but made such a poor showing that a number of persons left the hall in disgust during the latter part of the contest.

The go-between Matty Matthews, the water-weight champion, and Charlie Burns, of Cincinnati, who won by Matthews after a hard fight.

THE AMERICAN LEAGUE.

Chicago, Nov. 1.—The American League will take in Baltimore, Washington and Philadelphia, said President Ban Johnson after the meeting of the circuit committee. "We will carry out the plans already announced. The three clubs to be dropped have not been decided upon. The league must vote on that proposition." The league intends to drop Kansas City and Minneapolis, and there will be no doubt on that question when the league meets. The other city to be dropped has not been decided. It will probably be either Buffalo or Indianapolis.
