

washing done early in the day, and well done, belongs to every "No, no, my dear child," says the major: "we don't hunt in June, you know."
"I don't know," she says, and then user of Sunlight Soap.

But though Flossie smiles and nods in her pleasantest manner, there is a and he isn't ill, and I can see he isn't—and he isn't ill, and I can see he isn't far-away look in her blue eyes, an absent, drooping expression on her short,

leaning back, says:

"It seems all very stupid this evening, Weston. Let us go home; it must be nearly five o'clock."

be married!"

With a spring she is off the sofa, without opening her mouth. "It's a cruel—" then the voice broke sudden-

back to Ragan street, and Flossie, looking a little tired, coils herself into the cosiest chair in the cosy drawing-room, a tigress. and Weston - the footman never appears unless there is company — brings in an elegant Sevres tea set, and places it on a table by her mistress'

"Five o'clock" chimes in the clock on the mantelshelf, and Flossie looks up The major will be here directly; he always comes five minutes after his time—never before or later. I wonder what he wants. Weston, I feel-did you ever feel as if anyone were walk-

ing over your grave?"
Weston laughs. "I know what you mean, miss; what gent presently. they call a presentiment."
"Yes, that's it," said Flossie, nodding her curly head. "I don't have that sort of thing often: the last time I had it

was just before the failure of that piece at the Frivolity. I've got it "Have a drop of brandy in the tea, Well, are you satisfied?" miss: you are a little low."

"No," said Flossite, who hated brandy. "I shall be all right tonight. There's table, and she stood, as if to test her miss; you are a little low."
"No," said Flossite, who hated bran-

the major," as a gentle and yet aristo-cratic knock and ring resounded through the tiny house.

couch, and she extended a sman, thin hand without rising, but with a pleasant smile; "here you are, punctual, as usual; and here am I, and here is the usual; and here am I, and here is the ant smile; "here you are, punctual, as usual; and here am I, and here is the tea. Will you have a cup?" And she fills one of the costly cups, glancing at him out of the corners of her blue eyes with a curious little smile. "How well would some of the corners of her blue eyes with a curious little smile. "How well have began to pace the room. "At Powis; that used to be his own place." many years have I known you—ever staggered under this torrent of quessince I used to play fairies in the pan-

tomime, and come wrapped in a shawl. 'My dear Flossie, I never remember

"And have you been enjoying your-self down at Hurstley's" Flossie knew with a snap of the small, white teeth. most of the peerage intimately and was in the habit of cutting off their titles.

The major emits a little sigh, and shakes his head in his best manner, while he wipes a crumb of bread from

his lip-and watches Flossie over the pocket-handkerchief. "Not! Really not? I thought you always enjoyed yourself everywhere," and she laughs. 'So I do, my dear Flossie, and I en-

joyed myself at the Grange very much, and he sighed again. Flossie watched him with almost unconcealed admiration and amusement was an actress herself, you see and could appreciate an actor. "And what did you want to see my

about?" she went on, leaning back and fanning herself with graceful ease; just like a little kitten, only that kittens' claws do not sparkle with diamonds. "I'm half-inclined to think that you came all the way from Woldshire to see me. Did you? What is it? Have you bought a theater and do you want' "My dear Flossie," leaning back and

laughing softly, with admiration in his eyes. "You are quite right; you are so exquisitely quick. And, when beauty and intellect are combined, how perfect and matchless---'

Thank you, thank you, very much. major," broke in Flossie with a smile and a wave of the fan. "I know that speech by heart. You didn't come all this way from the end of the earth to pay me a compliment, and an old one What is it? Is there—" She paused a moment, and the fan that seemed to move with her thought, paused, too. "Is there anything the matter?"

The major nodded. 'My dear, I give you my word that I had resolved to be so cheerful, and, shall I say, deceitful, so that you might not guess; and here I am talking and behaving so much like an old crow that you detect me in a moment. Ah, Flossie, my incapability of concealing my thoughts has caused me more trouble than anything else throughout my

Flosise leaned back to laugh at her

You always were so awfully frank and open, major, we know," she re-torted, pleasantly. "Well, what is it? Have you—I don't know what to guess about you, because you never have any misfortune or do anything foolish. Do tell me, I never could guess, and I am" -putting her hands together and turning her face imploringly—"so curious! Is it about yourself? Have you lost

denly, perhaps, his keen eyes watching her covertly to see the effect.

The effect is strange. The fan stops, the petite face goes deadly white, and the blue are and set. As ports of 1902 by 17,000,000 pounds.

he Frivolity knows, when she says,

learly:
"Is he dead?"

"Dead! My dear Flossie!"
"Not—dead," she echoes, and her bosom heaves, while the fan moves slightly again. "Then he is ill, I know," The satisfaction of having the with a fittle gasp in her breath, but with the same stern suppression of emotion. "He has been thrown from his horse in that beastly hunting."

"I don't know," she says, and then with a touch of dangerous sharpness in her voice, "What is it, then? What do you mean?" The voice rises. "Why do you sit there like"—the fan shakes now and the eyes sparkle ominously—"like—a—a—mute, and play with me?" The voice is very high now and the fan spasmodic.

"My dear Flossie, my dear, impetuou

curied lips.

Even when she exchanges a bantering "good-morning" gossip with Lord Foozle, her thoughts are far away from his lordship, and presently she puts up her sunshade to cover her face, and, leaning back, says:

What is it, quick?"

The major, for once frightened out of his composure, and self-possession, looks at her and shakes his head.

"No, my dear, it's neither one nor the other. I was going to say that it was worse; the foolish boy is going to be married!"

With a spring the interval of the control of the other.

With a spring she is off the sofa, The Victoria leaves the line, and rolls light died out of her eyes, and she fell

> The major, who had the greatest dislike to scenes, and especially to those made by the fair sex, rose and looked round for the bell, but a small, low oice stopped him.

"Stop where you are; don't touch the bell. Don't speak to me for a minute."

The major stopped short and approached the sofa, gazing down at the pretty white face with anxious alarm; but he obeyed and remained silent but he obeyed and remained silent.

Before the minute had expired, Flossie sat up, and with a strange sort of sigh, looked at him with still halfvacant eyes which grew more intelli-

"And it's true?" she said.
"My dear Flossie, I am a brute! ought to have broken-She smiled sarcastically.
"Don't trouble to apologize. You did

it on purpose, major. I suppose you wanted to see how I should take it?

strength. "Give me my fan," she said, pointing

through the tiny house.

The footman announced the major, who, passing Weston as he entered, smiled and murmured.

"Ah, how do you do, Weston?" in his nicest manner; the major was always "nice," to everybody, especially so to the other sex.

"Well major." said Flossie, from her

to it.

The major stooped and gave it to her and she stood—as if too proud to sit down—and fanned herself.

"Now, tell me about it," she said in a voice of command that would brook no hesitation. "Tell me everything. When—when did it happen? Where is he?"

you look, major. What would some of And—and the girl; what is she like? our people not give to know your secret of perpetual youth. Why, how The major, impassive as he was,
