North Toronto Vacancy.

Toronto, Feb. 11. - Upon the second ballot the Conservative convention for North Toronto last night placed Mr. W. K. McNaught in the field as the standard-bearer of the Whitney Government. Only three candidates went to the vote, Dr. Ryerson dropping out on the first ballot, in which Mr. Stephen W. Burns led his successful opponent by five votes. The prominent features of the proceedings were the vigorous protest by Dr. Ryerson against interference by outsiders in an endeavor to foist upon the convention a man who had, he said, refused to allow Conservative canvassers to go through his factory to speak to the men in his employ, and the refusal of the convention to allow Mr. Miles Vokes to advocate the claims of Mr. McNaught, who was not present at in his own city of Toronto, and also the early part of the meeting. Upon his arrival later, however, Mr. Mc-Naught was given a good hearing.
