M'GILL, WITNESS IN COCKBURN CASE

Says the Latter Knew of His Supporting the Stock.

Declares Ex-Ontario Bank President and Some of Directors Awars of Operations.

KNEW OF NEW YORK PURCHASES

Ontario Bank, in which he was charged Kent County. with making false returns to the Government, was gone on with. The interest of the case centered around the calling of Charles McGill.

formerly general manager of the bank, Bid to give evidence on behalf of the crown. "You have nothing to hope and nothing to fear," began Mr. Corley, when McGill entered the box, "so you may

testify without fear and without favor. "When Mr. Cockburn signed the statement to the Government," continued Mr. Corley, "dated June 16, did he know that it was true?"

"In many respects," was the reply, 'he knew it was not true. He knew that the due bills ought to have been much larger than they were." "Did he know that those amounts charged to current loans in Canada

were false?"

10 and 25 at 1294, 15-at 1294, 10 at at Mr. Cockburn's request, he sold the

"I don't know how much he knew; he never looked into it. I merely had general instructions to manage matters. When I took hold it would have taken a million and a half to have clelland, of Ottawa; John A., of Ox- isn't money enough in sight to supply belligerent as represented. Mr. McGill went on to say that the directors told him that they understood he had means, and that they expected him to support the stock.

At that time Mr. McGill talked over the situation with Mr. Ames, and the latter for some time supported the stock. There were times, however, when he could not do it: the stock was on the market, witness consulted with Mr. Cockburn, and purchased the stock. The purchases were placed under the head of "Other Loans in Canada."

"And was it a loan?" "No, it was not." Telling of the reissue of stock, Mr. McGill said that he arranged with Mr. Cockburn to have Cockburn's share of itself by reason of the dividends. Later,

stock at a profit, and paid off the loan. bank bought its own stock?" Knew of the Supporting
