LONDON, THURSDAY, JULY 16, THE OPIUM TRAFFIC IN CANADA.

The deputy minister of labor, W. L. MacKenzie-King, C.M.G., has been investigating the opium traffic in British onstrates the need for the enactment cate the evil and its baneful effects.

in opium manufacture in the coast cities of Victoria, Vancouver and New Westminster, the gross receipts of restrictions of a peace treaty would which combined last year are estimated stand in the way of any Central Amerat between \$600,000 and \$650,000. The ican politician, bent on the gratificacrude opium, imported from Indian in tion of his ambition. process of poiling into what is termed "powdered opium," and subsequently Into opium prepared for smoking. The returns show that large amounts of crude opium have peen imported anof the fiscal year 1906-7 was greater than the value of the amount imported in the twelve months of the preceding year, the figures for these years being

operated by Chinese between 70 and 100 persons are employed. One or majority have been recently estab-All the opium manufactured, ed already! Chinese, but there are strong reasons for believing that much of what is produced at the present time is smuggled into China and the coast cities of the United States.

Mr. King declares, however, that the amount consumed in Canada, if known, would probably appall the ordinary citizen, who is inclined to believe that the habit is confined to the Chinese, and by them indulged in only to a limited extent. Chinese with whom | See the little bunny wink and grin a foolthe deputy minister conversed on the subject assured him that almost as much opium was sold to white people as to Chinese, and that the habit And when he comes careering back, why, of opium smoking was making headway not only among white men and boys, but also among women and girls. Mr. King saw evidence of the truth of these statements in his round of visits through some of the opium And what with yaks and crocodiles and dens of Vancouver. Young white women and girls have been taken from these places by the police after having been in them for weeks, while phy- And baby, if he doesn't cry, shall march tween London and Brighton he had sicians are shocked by the number of cases of women addicted to the habit By. Baby Bunting, maybe he has seen their ordinary course of practice.

It is true there is provincial legislation which should have the effect of restricting the sale of opium, but the Run out doors and look at one; take law is openly ignored, and the deputy minister is forced to the conclusion that the only effective remedy is to and sale alike, and this absolutely, save in so far as an exception may be necessary for medicinal purposes only. "In enacting legislation to this end," the minister says: "the Parliament of half century editor of the London Times, Canada will not only effect one of the most necessary of moral reforms so self that others could be had to do for far as the Dominion is concerned, but will assist in a world movement which has for its object the freeing of a people from a bondage which is worse Times.

believe, is only a matter of a short of ability and personality rather than by time. Meanwhile the agent of the Moral Reform Association of Canada, to mingle with people. A smaller man would have stuck to his desk. Yet this minion Government, is putting forth of us. "The New Year," he writes in his every effort to suppress the use of the later life, "the New Year found me, as poisonous drug, and anti-opium leagues are being formed among the Chinese in death of his mother: "Nobody now cares British Columbia, with the object of about me or my success, or my motives,

CENTRAL AMERICAN TROUBLES.

Central American countries seem to be always in trouble. According to reports those engaged in the attempt to overthrow the Government of Honduras have been partially successful. They are said to have captured a small town about twenty miles from the Salvador frontier, and to be threatening the only port of Honduras on the Pacific coast. The cause of the movement is not clear. Recently the Honduran "minister at Washington admitted the progress of hostile operations directed against his

country in Salvador and Guatemala but it was also stated that the Governpathy with the operations, and had dethem. President Figueros, of Salvador, In fact, her mind was quite a store is said to have imprisoned a number of men, including a general, for participating in the projected movement against Honduras, and President Ca-Readers of The Advertiser are requested brera, of Guatemala, is reported to have assumed an equally friendly attitude, but the professions of the average Central American president are .10 not always to be relied on. Possibly, One Year\$5.00 if the truth were told, it would be LET THE LONDON ADVERTISER found that both Guatemala and Sal-

"A horrid rash came out all over my baby's face and spread until it had totally covered his scalp It was irritating and painful, and caused the little one hours of suffering. We tried soaps and powders and salves, but he got no better. He refused his food, got quit thin and worn, and was reduced to a very serious condition. I was advised to try Zam-Buk, and did so. It was wonder how it seemed to cool and ease the child's burning, painful skin. Zam-Buk from the very commencement seemed to go right t the spot, and the pimples and sores and the irritation grew less and less. Within few weeks my baby's skin was healed completely. He has now not a trace o rash, or eruption, or eczema, or burning menting skin trouble, he has improved in eneral health.'

HOLY LAND NOT BARREN COUNTRY

Zionists Deny Statement That Palestine Is Incaple of Being Productive.

Atlantic City, N. J., July 15 .- Emphatic denial was made today in the convention of the American Federation of Zionists that Palestine was tive, by Professor O. Marburg, chairman of the Palestine commission, who explained what work had been done in planting colonies of Hebrews in the land of the forefathers of the race. Chambers & Co., who are giving up Merchant Jackson, of Pittsburg, a wealthy resident there, made a tour of Palestine in a carriage and on a mount, with a view of securing perwhich exist in the Holy Land, and he is prepared to support the statement Professor Marburg with pictures, which he will show.
