JURY COULDN'T AGREE

Death of Pedestrian.

Toronto, May 3.—After five hours' deliberation, the assize jury, which heard the manisaughter charge against Bert, McLetchle, failed to reach a verdict and were discharged. McLetchle was charged with causing the death of Edward Jacobs, an elderly man, who died from injuries received by being run down by a recklessly driven automobile on the night of March 3. The crown's case rested principally upon a brass oil cup picked up after the accident and pronounced by experts to have been broken off an automobile owned by A. G. Strathy and driven by McLetchle.

The prisoner will appear in court tomorrow, and if the crown so decides a new jury will be empanelled and the case re-tried.
