Trainmen Hopeful New Government Will Redress Situation.

Problem Is One Left Over From 1910 Strike On G. T. R.

Dozens of Grand Trunk conductors and brakemen are vastly cheered by the continued re-assuring reports from the capital that members of the Liberal government, notably Premier MacKenzie King himself, and the Hon, W. C. Kennedy, minister of railways, intend to listen to their of "seniority rights."

This question was broached in th House of Commons, at the last sesrecently notified again that the matsion, and local officials have been ter is under close consideration and developments are anticipated in a
