W.C.T.U. Refuses Support To Any One Candidate

eaves Individual Members To Decide Who Will Best Support O. T. A.

At the final meeting of the County C. T. U. held yesterday afternoon the W. C. T. U. rooms, Clarence reet, it was decided that the Midought in a resolution to the effect at in view of the local political tuation, the union would not accept he suggestion of the provincial presient that the members work as a ody for one candidate, but would ather work individually, each mem-er voting for the candidate whom e considered would bring about the est results, as far as temperance

vas concerned.

This resolution was brought in by irs. John Jones as part of the plan f work for the coming year.

Another suggestion in this plan of work resulted in the separation of he Mothers' Meeting department rom the Moral Educational department of the union, which was hither to combined under the one secretary, Mrs. Ida Harrison. Mrs. Thompson Dorchester is now the moral edu-

ation secretary. The chief business of yesterday afternoon's meeting, however, was the election of officers for the coming year. Mrs. Ada Potter of Wardsville was again made president. Other officers are as follows: Honorary presidents, Mrs. May R. Thornley. Mrs. Gordon Wright and Mrs. John fones, all of London; vice-presidents Mrs. T. T. George of Parkhill, Mrs I. An Easy Way to Get Fat and Be Strong

The trouble with most thin folks who wish to gain weight is that they insist on drugging their stomach or stuffing it with greasy foods; rubbing on useless it with greasy foods; rubbing on useless "flesh creams," or following some foolish physical culture stunt, while the real cause of thinness goes untouched. You cannot get fat until your digestive tract assimilates the food you eat.

Thanks to a remarkable scientific discovery, it is now possible to combine into simple form the very elements needed by the digestive organs to help.

DISTRICT W.M.S. HOLDS MEETING IN BELMONT

London Presbyterial Sectional Meeting Addressed By Miss Ferguson.

One of the most interesting meet ngs of the London Presbyterial held his season was the London Presbyterial sectional meeting of north and south Westminster held Tuesday at Belmont. Mrs. J. Ure Stuart presided, and Temp, Delaware and Belmont societies were represented.

Miss Ferguson of St. Thomas, the mission band secretary, gave an interesting address, encouraging the use of the text books, especially "Trail of Mission Band Pennies" and "New Chums." She reported that two new bands had been formed and two reorganized. The keynote of her address was "It is not the size of the field, but the faithfulness that

THE RADIO DESK. "What is home without a radio?" might be asked in these days, when practically every dwelling flaunts an aerial wire overhead and a radio set To gather round the switchboard in the evening, when bedtime stories, concerts, lectures and enter-tainers of sorts fill the air, is the program in many thousands of homes, and father often goes on tinkering with the knobs long after the rest of the family is abed, for I believe that in many cases the fun of operating the radio receiving set is greater than listening to the attractions broadcasted on it.

"I wouldn't mind a bit," said one woman, "if the whole apparatus didn't look so unkempt and like a machine shop. It is really splendid for Tom to have it to experiment with, and I know he enjoys it hugely; but it takes up a whole corner of the living-room and looks like a junk heap. We have to have it here, of course, for the neighbors often run in and this is the only room large and pleasant enough to receive them in."
"Well, you'll have to get one of
