I. W. Stewart, of this city, who is interested in the quartz mines of the Portland canal district, returned by the steamer Danube, and when seen yesterday he said that many claim-owners holding claims in that vicinity, which, under the present arrangement are considered to be in United States territory, are restaking them in the British Columbia mining office recently opened in that district. The miners, Mr. Stewart says consider that Canada will win her case in the arbitration now going on, and are acting accordingly. He said that in Bear river mining division, Portland Canal, the outlook for the district, as in the arbitration now going on, and are acting accordingly. He said that in Bear river mining division, Portland Canal, the outlook for the district, as in the arbitration now going on, and are acting accordingly. He said that in Bear river mining division, Portland Canal, the outlook for the district is Bear river mining division, Portland Canal, the outlook for the district, as in the arbitration of the rolling stock of the company is such that it can be made in the department which has charge of that with the least damage to effectiveness." The same of the rolling stock of the company is such that it can be made in the department which has charge of that with the least damage to effectiveness. The same of the rolling stock of the company is such that it can be made in the department which has charge of that with the least damage to effectiveness. The same of the rolling stock of the company is such that it can be made in the department which has charge of that with the least damage to effectiveness. The same of the rolling stock of the company is such that the mouth of Bear river to American reverse and had men doing development work on them all sum cated this summer. The principal ores are galena and copper and gold, mostly high grade. On American creek a numof locations were made adjoining the American Girl group, on which litthan development work has been done this summer. There is every indication that this property will be bonded by Seattle people for a big figure shortly. On the Roosevelt on Bitter creek a fifty foot tunnel will be run this winter. At Maple bay the Portland
