severance soon convinced me that, thanks to Zam-Buk, I was at last on the sure road to recovery, and in time the terrible sore thoroughly healed. For three years now, I've had no leg trouble. In obstinate sores, old wounds and ulceration where destruction of the tissues has occurred, Zam-Bulz displays extraordinary healing power.

Sufferers marvel at the way it soothes pain and inflammation, purifies diseased parts and stimulates the growth of new healthy tissue. Whereas ordinary ointments simply cover over surface trouble, Zam-Buk healing is permanent for it leaves no trace of disease to break out. Zam-Buk proves equally effective in eczema, ringworm, salt rheum, piles, ed sores, abscesses, burns, scalds, etc. All chemists and dealers 50c.
