No amount of mechanical ingenuity would, however, account by itself for the popularity of Mr. Wilkie Collins's works. He has several other important qualifications. He writes an admirable style; he is thoroughly in earnest in his desire to please; his humor, though distinctly fashioned on a model Mr. Dickens invented and popularized, is better sustained and less fantastic and affected than any thing which Mr. Dickens has of late years produced.—*London Review.*

We can not close this notice without a word of eulogy on Mr. Collins's style. It is simple and so manly; every word tells its own story; every phrase is perfect in itself.—*London Reader.*

Of all the living writers of English fiction no one better understands the art of story-telling than Wilkie Collins. He has a faculty of coloring the mystery of a plot, exciting terror, pity, curiosity, and other passions, such as belong to few if any of his *confreres*, however much they may excel him in other respects. His style too, is singularly appropriate—less forced and artificial than the average modern novelists.—*Boston Transcript.*
