

NATIONAL ASSOCIATION OF CEMENT USERS.

The ninth annual convention of the National Association of Cement Users will be held in Pittsburgh, Pa., December 10-14, inclusive. The convention proper will open on Tuesday evening, December 10, and will close on Friday evening, December 13. The sessions and headquarters of the convention will be at the Fort Pitt Hotel. In view of the numerous suggestions received to that effect, the convention period has been reduced over those of former years by two days, and in order that an equal amount of work may be accomplished, afternoon sessions will be held. No session will be held on the evening of the opening of the Cement Show in order that members may be afforded the opportunity to attend the same. The annual banquet will be held on Thursday evening.
