OUR SPECIAL DIAMOND JUBILEE CLUB OFFERS

We want each reader to send us one of the clubs below.

If each reader accomplished this, and we are sure it is possible to almost everyonethen our publications would have the largest circulation of any in the Dominion, and we would make a number of improvements without delay-improvements that each reader would immediately recognize and appreciate.

SAMPLES FREE-Agents and Club Raisers will get further information and samples on application.

Those who prefer, instead of working on the basis of the above club offers, may take subscriptions for any of our publications at the full rates, and we will allow a commission of twenty-five percent (one quarter) on renewal subscriptions, and fifty percent (one-half) on new subscriptions. But these terms are only available for those sending three or more subscriptions at a time for the same paper.

NOTE.— New subscribers are people who have not been readers of our publications, or who have not for at least two years lived in homes where they have been taken.

ILLUSTRATED BIBLE GIVEN

To the subscribers sending us the largest amount of subscription money each day

Short term and special rate subscriptions will all count in swelling up the amounts.

To stimulate further effort, and as some will find it easy to get more than one or two subscribers, we will in addition to the foregoing remarkable offers, commencing November 15th, 1905, and until further notice, award each day to the subscriber sending us in the largest amount of subscription money for our various publications on that day, OUR RED LETTER COLORED PLATE ILLUSTRATED BIBLE. These Bibles would appear to be good value at four dollars each.

If there chould happen to be a tie for the largest amount in any given day the premium will be awarded to the one farthest away, because his remittance will have been mailed earlier than the other.

NOTE. — Sunday School Clubs for the 'Messenger' will not count under this offer because they are not secured individually; because usually no one in particular is properly entitled to the premium; and because they are generally large, and to include them would only discourage those working up small individual lists. Neither will remittances count from news agents, from publishers, or from any one who is not a subscriber to one of our publications, nor will one's 'wn subscription count in this offer because it does not require canvassing, nor will those working for other premiums benefit by these offers.

I have been a subscriber to the 'Witness' for about 'fity years, for the past twenty-five years or more I have sent from fourteen to twenty-eight subscribers to the 'Witness' cach year. I congratulate you on your Jubilee year. Your publications have done a vast amount of good during the past sixty years.

Vernon, Ottawa Valley, Feb. 26.
Dear Sirs,—As I have been sending subscriptions to the 'Witness' for a number of years, I never thought of receiving anything more than the liberal commission you allow your agents. I had not noticed the 'Diamond Jubilee' offers. So the arrival of the red-letter illustrated Bible which you so kindly sent me for my list for Feb. 16 was indeed a delightful surprise. In thanking you for the beautiful gift may I be permitted to join in the congcatulations which you are receiving upon the jubilee of the 'Witness'? It affords me heartfelt gratification to be able to add my humble testimony to that offered by so many, as to the value and usefulness of the 'Witness' as a newspaper. It has been a constant visitor in my father's home for over fifty years. It was the first paper I became acquainted with, and I am thankful that my father ever solicitous for his children's welfare, gave us such company. Thanking you again for the Bible, and wishing you many years of increased prosperity. I remain, yours truly.

JAMES FRASER.

Arthur, Feb. 28.

Dear Sirs,—I can assure you it was a pleasant surprise to have one of your red letter Bibles handed to me in the post-office one day lately. It is so attractive that it is an incentive to closer study of the Bible, when one can see so plainly the life line running all through the word. Accept my sincerest thanks, I hope you may be long spared to carry on the good work you are doing. I remain,

Sincerely yours,

Gentlemen,—Let me thank you very much for the present received of such a beautiful Bible, which was to me a complete surprise, as I did not notice your offer, as you say, and was not working for such, but for the 'Witness,' which I consider, on account of its past record of clean journalism, deserves the support of all true lovers of their country. Let me here congratulate you on this your Diamond Jubilee. Yours very truly.

D. MONTGOMERY.
