TESTIMONIALS.

S. W. GILMAN, Homer City Pa. Your cuts of Wyandottes, Langshans, and Plymouth Rocks are fine, will get away with them all.

W. D. RICHARDS, McLansboro, Ills. My Portrait is excellent, you beat them all.

Dr. C. A. ROBINSON, Northstown, Ind. The cut of Plymouth Rock is the best I have ever seen. Every one agrees with me on the excellence of your work.

FAIR AND SQUARE DEALING.

Believing that if a man has dealt squarely with his fellow-men his patrons are his best advertisers, I invite all to make inquiry of the character of my seeds among over a million of Farmers, Gardeners and Planters who have used them during the past thirty years. Raising a large portion of the seed sold, (few seedsmen raise the seed they sell) I was the first seedsmen in the United States to warrant (as per catalogue) their purity and freshness. My new Vegetable and Flower Seed Catalogue for 1886 will be sent **FREE** to all who write for it. Among an immense variety, my friends will find in it (and in none other) a new drumhead Cabbage, just about as early as Henderson's, but **nearly twice as large!** James J. H. Gregory, Marblehead, Mass.
