Eyesight Tested Free

I have just added a complete outfit to my business for scientifically testing the eyes, and as I am a graduate of the Ont. Optical Institute, and have had an extended experience in Optical work in Toronto, I can assure you of a reliable, careful test, and, if needed, properly fitting spectacles.

No charge for testing.

ONLY THE BEST

Goods are sold here. What you buy here is the best the market affords. We pride ourselves on the quality of our goods—the styles—the make. Men's Furnishings such as we sell are not to be found elsewhere—we give you value—we give you quality. We stand supreme in the selling of men's high-grade furnishings in the city. This is not egotism, but a real fact. "If it comes from Clements, it's all right"
