CAMERON & ROSS.**COMMISSION MERCHANTS,**

443 Commissioners Street, Montreal, are regularly receiving and selling, on Commission, all kinds of Country Produce. In Grain there has not been much done during the week. In Flour some excitement prevailed towards the close of the week, and it is said prices have somewhat advanced; this can only be temporary, and last but a short time. We would advise country dealers not to base their calculations on the present advance when making their purchases, as no other market we know of at present could warrant the prices that have been paid here, or, at least, said to have been paid. We look on the market as being in a very unhealthy condition, and rather excited by speculation in the face of considerable losses. It is to be regretted that so much of the Wall Street principle should be getting into our chief mart.

BUTTER.—Arrivals during the week have been fair; supply and demand about equal. Choice Dairy in lots readily taken at 17c. per lb; good Store Packed 16c. per lb. The foregoing are the prices realised by ourselves for lots during the week. We heard of sales being made at 15c. and 15½c. per lb. for shipping lots. Our private advices by last mail, both from England and Scotland, are more encouraging than those hitherto received. Sales of Canada Butter were made from 85 to 97 shillings per cwt. We notice a large quantity of what is coming forward, not put up with the same care as we have seen in former seasons. We find in mostly all cases that fully 25 per cent. more salt is used in packing than is necessary for the proper curing of the Butter. Dealers cannot be too particular in preparing for market, as there is no other commodity of which the price is more governed by the quality than that of Butter.

Pot and Pearl Ashes regularly received. For prices we refer you to those contained in the review.

Advances made on consignment. All consignments receive personal attention, and proceeds promptly accounted for.

N.B.—Particular attention given to the selection of Dry Goods, Groceries and Hardware.
