PROF. LOW'S SULPHUR SOAP is highly recommended for the cure of Eruptions, Chaps, Chapped Hands, Pimples, Tan, etc.

Scientific and Useful.

NAILS may be driven into hard wood if the points are dipped into lard or tallow.

A LITTLE petroleum added to the water with which waxed or polished floors are washed improves their looks.

To preserve goods from moth do not use camphor in any form. Pieces of tar paper laid in fur boxes and in the closets are a better protection. Five cents will buy enough to equip all the packing boxes and closets of a large house for a year.

HIGHLY SPOKEN OF.—Mr. James M. Lawson, of Woodville, Ont., speaks in high terms of Yellow Oil for rheumatism, lame back, sprains and painful complaints. Yellow Oil is used internally and externally in case of pain; also coughs, colds, sore throat, etc., and has made many remarkable cures of deafness.

POTATO SALAD.—Two tablespoonfuls of mustard, four of vinegar, four of salad oil or melted butter, a little salt and pepper. Mix the oil and mustard, then add the vinegar. Add a small onion chopped fine, and half a dozen cold potatoes chopped; also a hard boiled egg. Mix all well together. It is an excellent relish for cold meats.

DRIED BEEF.—Buy good beef—the tender side of the round is the best, of course, and for every twenty pounds of beef use one pint of salt, one teaspoonful of saltpetre, and a quarter of a pound of brown sugar. Mix them well together, and rub the beef well with one-third of the mixture for three successive days. Let it lie in the liquor it makes for six days, then hang up to dry.

IMPORTANT TO ALL

who are willing to work for the reward of success. Hallett & Co., Portland Maine, will mail you, free, full particulars about work that either sex, young or old, can do, at a profit of from \$3 to \$25 per day and upward, and live at home, wherever they are located. All can do the work. Capital not required; Hallett & Co. will start you. Grand success absolutely sure. Write at once and see.

WHIPPED CREAM PIE.—Make a crust of moderate richness, line a deep tin with it; bake quickly in a hot oven; when done spread it with a layer of jelly or jam; first a thin layer, then whip one teacupful of sweet cream until it is as light as possible; sweeten with powdered sugar and flavour with vanilla; spread over the jelly or jam; set the cream where it will get very cold before whipping.

CRUMB GRIDDLE CAKES.—The night before using put some bread crumbs to soak in one quart of sour milk; in the morning rub through a sieve and add four well-beaten eggs, two teaspoonfuls of soda dissolved in a little water, one teaspoonful of melted butter and enough cornmeal to make them the consistency of ordinary griddle cakes. It is better to beat yolks and whites separately, stirring the whites lightly in just before baking.

STARTLING YET TRUE.—In the midst of the great political battle now raging so fiercely throughout our fair Dominion, it is certainly a startling fact that no amount of politics to the square foot will prevent the suffering caused by general debility or nervous and blood diseases, now so common among us. It is true though that these ailments and many others, especially those common to the female sex, can be cured by the use of a new and cheap device just introduced into Canada by the Oriental Medicated Electric Belt Company. This consists of an electric belt, so simple in its construction, that it can be worn at all times without the slightest inconvenience, and so cheap that it is brought within the reach of all. The company's headquarters are at No 3 King Street West, Toronto, where they invite inspection of their electrical appliances, and give the best of references.

MOLASSES POUND CAKE.—Warm a table-spoonful of butter until it can be mixed readily with half a pint of molasses; stir with butter and molasses an even teaspoonful each of ground cloves, cinnamon and ginger; dissolve a teaspoonful of baking soda in half a pint of boiling water; quickly add it to the molasses; then as quickly as possible sift and mix in half a pound of flour; beat the cake batter smooth, put it at once into a pan lined with buttered paper, and bake the cake in a moderate oven until a broom straw run through it can be withdrawn dry.

For Children Starving to Death,

On account of their inability to digest ordinary food, Scott's Emulsion can be digested, and give strength and flesh when all other food fails. See what Dr. A. H. Hall, Penn. Med. College, Pottsville, Pa., says: "I have used and prescribed Scott's Emulsion of Cod Liver Oil, and find it an excellent preparation, agreeing well with the stomach, and its continued use adding greatly to the strength and comfort of the patient." Put up in 50c. and \$1 size.
