Price 3 cents.

Montreal Stock Market.

PACIFIC FIRM.

A BOOM IN WAR EAGLE.

MORNING BOARD QUIET .- A FAIR BUSINESS DONE IN AFTERNOON.

GAS AND STREET RAILWAYS SIEADY.

Whet'er the war news had a de-pr ssing effect on operators, or whether the buyers have been satiswhether the buyers have been satisfied with their purchases of last week and for the time being have their full complement of stock, it was clear that the demand had greatly slackened off, and with the exception of War Eagle and Montreal Gas, the list was slow in the extreme, with remarkably small sales and very little change in price. New York advices favored the bulls, the general market there being very strong.

MONTREAL GAS.

This stock assumed the leadership this stock assumed the leadership this morning, but as only 600 shares sold, it was more on account of the general duliness than of its own activity. The quotations were on the shady side, but the stock showed fair strength, as it only 1 st about \(\frac{3}{4}\) per cent. The closewas at 193\(\frac{7}{8}\) to 194.

CANADIAN PACIFIC.

The strength of Sterling Exchange The strength of Sterling Exchange being upward, has a tendency to narrow the price of Pacific between London and this market. There was one sale in New York, up to noon, at 82½, the quotation here being at the same price, as only 75 shares sold it looks as if the bulls had, in the meantime, decided to look on and see what the warlike news really means. It closes at 82½ to 82½, about ½ p.c over parity. over parity.

WAR EAGLE.

More shares in Eagle changed hands this morning than for some time past. Prices were very steady and the whole 10,200 shares sold at 290. They were still offered at this price at the close with 259\frac{7}{8} bid.

SUNDRIES.

The interest in Rails was small; a broken lot brought 104 at which the stock is still offered with 1033 bid. Dominion Coal Pfd sold at 1142, clos-

ing strong.
Halifax Heat and Light bonds
brought 80. A small lot of Montreal
Cotton sold at 150½.
Quite a few shares of Bank stocks

were dealt in. The prices obtained were steady. For particulars as to price and amounts consult list of sales.
