TAPE WORM.

An eminent German Scientist has recently discovered from a root extract, an *ardvite specific* for Tape Worm.

It is pleasant to take and is not distressing to the patient, but is particularly sickening and stamping to the Tape Worm, which loosens its hold of its victim and passes away in a natural and easy manner, entirely whole, with titian, while still alive.

One physician has used this specific in over 100 cases without a single failure to void worm entire. Success guaranteed. No pay required until removed with head. Send stamp for circular and terms.
