

Local Secretary for Nova Scotia—Dr. Jas. R. DeWolf, Halifax.

Local Secretary for New Brunswick—Dr. W. S. Harding, St. John.

Local Secretary for Ontario—Dr. Wm. Cunliff, Belleville.

Treasurer—Dr. Robert Henry Russell, Quebec.

Thus commenced an organization, the value of which cannot be now estimated by the profession of the Dominion.

Since then large and successful provincial societies have sprung up, and it has been thought that the work of the Canadian Medical Association had been completed.

Fortunately for the profession generally, this opinion has been held by but a limited number, and up to the present all attempts to curtail its usefulness have failed. During the last few years there has been much enthusiasm over the meetings, and the attendance has been large. Next year the meeting will be held in St. John, N.B., some time in September, and if united effort can do anything, the members of the profession in the Maritime Provinces intend to make this one of the most successful meetings the association has ever known.
