

Cuban-American war, the blockade, bombardment and battles of Santiago, or Havana, firing and explosion of shells, explosion of submarine mines, and blowing up of vessels on the lake in front of the exhibition grounds, exhibitions by Maxime and Gatling machine guns, etc., all of a specially interesting nature at the present time. The programme of attractions promises to far excel that of last year, which is saying a good deal. The exhibits will include many from Great Britain, France, and the United States, whilst almost every section of the Dominion will be represented.

Wit and Wisdom.

"Ah!" sighed the poet, "I shall be satisfied if I can produce but one line that will make the world better." "Say," said the poet's wife, "just come back here and try your hand at stringing this clothes-line, will you?"

Some persons have periodical attacks of Canadian cholera, dysentery, or diarrhoea, and have to use great precautions to avoid the disease. Change of water, cooking, and green fruit, is sure to bring on the attacks. To such persons we would recommend Dr. J. D. Kellogg's Dysentery Cordial as being the best medicine in the market for all summer complaints. If a few drops are taken in water when the symptoms are noticed, no further trouble will be experienced.

Belle—"I had an awful scare the other day while out for a walk with Will." Betsy—"How?" Belle—"Why, we met the minister, and Will asked him to join us."

If your children are troubled with worms, give them Mother Graves' Worm Exterminator; safe, sure, and effectual. Try it, and mark the improvement in your child.

Ill-fitting boots and shoes cause corns. Holloway's corn cure is the article to use. Get a bottle at once and cure your corns.

Grandma—"What are you doing in the pantry, Tommy?" Tommy—"Oh, I'm just putting a few things away, gran'ma."

Street Car Accident—Mr. Thomas Sabine says: "My eleven year old boy had his foot badly injured by being run over by a car on the street railway. We at once commenced bathing the foot with Dr. Thomas' Electric oil, when the discoloration and swelling were removed, and in nine days he could use his foot. We always keep a bottle in the house ready for any emergency."

"O Bridget, I told you to notice when the apples boiled over." "Sure I did, mum. It was a quarter past eleven."

Sleeplessness.—When the nerves are unstrung and the whole body given up to wretchedness, when the mind is filled with gloom and dismal forebodings, the result of derangement of the digestive organs, sleeplessness comes to add to the distress. If only the subject could sleep, there would be oblivion for a while and temporary relief. Parmelee's Vegetable Pills will not only induce sleep, but will act so beneficially that the subject will wake refreshed and restored to happiness.

"My Lord," said the foreman of an Irish jury, when giving in his verdict, "we find the man who stole the mare not guilty."

The Flagging Energies Revived.—Constant application to business is a tax upon the energies, and if there be not relaxation, lassitude and depression are sure to intervene. These come from stomachic troubles. The want of exercise brings on nervous irregularities, and the stomach ceases to assimilate food properly. In this condition Parmelee's Vegetable Pills will be found a recuperative of rare power, restoring the organs to healthful action, dispelling depression, and reviving the flagging energies.
