of

## SCIENTIFIC ANALYSIS

By the best CHEMISTS in the WORLD.

Francis Wyatt, Ph. D., Analytical Chem-  
 ist, New York, after giving an exhaustive  
 analysis says :

" Here we have the whole of the elements  
 without a single exception, necessary for  
 the formation of Flesh, Muscle and Bone.  
 Johnston's Fluid Beef is not a mere meat  
 extract or a concentrated decoction, but  
 simply Fluid Beef, containing besides the  
 Albuminoids and Gelatinoids, the correct  
 proportion of those phosphates so essential  
 to the support of life."
