E FUMO DARE LUCEM.
 Those who believe with Byron the consoling influence concentrated in Tobacco, especially when, according to his aristocratic taste, it was drawn through genuine Meerschaum, tipped with amber mellow, rich and ripe, should pay particular attention to an advertisement of S. McConkey's in another column. The gouty pipe, or the one of lean proportions, can alike be suited. Pipes of every make and fashion, from the superb carved Meerschaum to the Austrian Charcoal and the English Clay. If you are ticklish about your health invest in a Sanitary Pipe, or if combative in your temperament go for a Breech-loader. The variety is large and certain to please. The same may be said of McConkey's stock of Tobaccos, Cigars, &c. He keeps on hand everything suited to the requirements of his really first-class trade, and is now better prepared than ever before for the festive season approaching; his sample room is stocked with genuine brands, and is now the popular resort with lovers of good cheer.—*Herald, Dec. 7, 1868.*

A NEW DRY GOODS FIRM.
 On the 20th of March next, the new Dry Goods Firm of BROWN, CLAGGETT & McCARVILLE will open the large store 463 Notre Dame Street. The members of this firm have for many years been connected with the Dry Goods business, and thoroughly understand all its details. Their numerous friends in this city will, we have no doubt, be glad to hear of their commencing business under such favourable circumstances. The fact of their being related to some of the leading Silk Velvet and Poplin Manufacturers of the United Kingdom, will enable the new firm to hold out inducements such as are seldom offered to the public. They intend making a speciality of Silks, Velvets, Irish Poplin, Mantles and Shawls, but they will also keep a large assortment of first class Dry Goods. We take this opportunity of wishing the new firm success.—*Montreal Daily News, Jan. 20th.*

APPEAL.
APPEAL.—The United Board of Out-door Relief would earnestly appeal to the friends of the poor and destitute for further assistance. At the present rate of giving, the firewood on hand will be exhausted in less than three weeks. The winter is not half over—the demands upon us increase from week to week—the cases of severe distress have been more numerous than on any former winter, and there is only about \$50 left in the treasury with which to meet all this want and suffering. The Board trust that those who are able to give will consider this appeal, and contribute liberally to help the poor and needy through the winter. Contributions can be sent to Mr. BROWN, the Secretary-Treasurer of the Protestant House of Industry and Refuge; or, to any member of the Board.
