TRADE MARK.

The Island of Montserrat is the only place where the lime tree is specially cultivated, and where the juice is pressed in a systematic manner with suitable machinery. In pressing the choicest fruit alone is used, and to ensure greater freedom from mucilaginous and pulpy matter, only about two-thirds of the juice is pressed out. It is mainly owing to these precautions that the Montserrat Juice is so much superior to that prepared in Jamaica, which is the only island (excepting Montserrat) from which Lime Juice is imported into Canada. The fact that the Montserrat Lime Fruit Juice is the only kind used in the British Royal Navy is evidence of its superiority.

CAUTION.—The success which has attended the introduction of this article has caused several imitations to be offered for sale; our original style of bottle and registered title is also copied. The public are therefore cautioned to protect themselves by seeing that the trade mark of the Montserrat Company is upon the capsule of each bottle.

Hamilton, was sold out recently by the same functionary.—J. E. Crocker, tins, etc., Burlington, Ont., is reported missing for several days past. He was formerly, in the fall of 1883, sold out by his creditors.

"Lee Lei," of the Mongolian race, has opened a laundry in Guelph, and, it being the first appearance of a Chinese there, has created quite an interest for the moment.

CAUTION.—A pair of uncommercial travellers have for some time past been operating in the Maritime Provinces and working towards Montreal, representing one of these ephemeral puffing publications in the shape of a newspaper which have their rise and fall occasionally among 'us. We should not deem the present couple worthy of note were it not that the name of their print is similar to THE JOURNAL OF COMMERCE, so much so that some of our subscribers in the Lower Provinces have inquired about it. It is only the title, however, which is misleading, and it appears to be printed in Boston. Our friends and patrons are cautioned against being misled by it.

The offer of 25 cents in the dollar, in 3, 6 and 9 months, made by Louis Labonte, hotel-keeper, West Farnham, Que., had not been accepted by all his creditors at last accounts.

spring of 1884. Finding himself recently unable to meet his engagements with his creditors, he offered them 50 cents in the dollar. Some of those who did not accept at the time are looking into the estate, in order to determine their course. Mr. Thomas bears a favorable name, but is said to want sufficient push for a business man.—Christopher Collins, shoes, Portland, N.B., has assigned in trust.—P. H. Graves & Son, general store, Elgin, N.B., have assigned in trust. Liabilities about \$1,600. Mr. Graves began the business a year and a half ago.

LAST week two failures were reported at Bridgen, Ont.; this week J. E. Demare of the same place, shoes, is reported to have compromised at 50 cents in the dollar, secured. The settlement is deemed quite favorable, in face of the statement submitted the creditors at the recent meeting in St. Thomas. Mr. Demare is beginning a new brick building which will be an ornament to the village.—Matthew Richardson, a Hamilton shoe dealer, is reported to have the sheriff in possession; D. W.
