

# A NEW IDEA.

ON SEPTEMBER 1, 1887, the first number of a series of *help manuals for teachers* was issued from THE SUPPLEMENT Press, Boston. This number is entitled **Practical Grammar**, and it contains over five hundred common-sense exercises, not questions, but **exercises**—novel, sensible, practical, and presenting work of an entirely new character for all grades. **Ten thousand teachers** have already handled this book. A prominent High School teacher writes: "With your *exercises*, grammar is an entirely new subject. My pupils are perfectly delighted. I never handled a book which gave me more genuine satisfaction." ON OCTOBER 1 the second number was issued. It is a complete **MANUAL OF CORRESPONDENCE** for schools and colleges, and is uniform, in style and binding, with the Grammar. If you want to please your pupils, by giving them two or three lessons a week in correspondence, by all means buy this book. It is without exception the best **educational help** issued this year. We have stepped right out of the ruts and old beaten paths, and are determined to give the teachers of America a neatly bound bundle of **fresh ideas** on the first day of each month. Those who know anything of the character of our former publications know that we can do it. The books for **NOVEMBER** and **DECEMBER** will startle some of the good old textbook publishers of the great cities. They will be out on time. Don't miss them. Prices: Each number is published in a very attractive heavy-paper cover at 25c. per copy, and in neat cloth binding at 50c. per copy. **Sample pages free.** Don't ask for free copies.

**HOW TO GET THESE BOOKS.** The yearly subscription price of the paper edition (nine numbers) is \$1.50, and the cloth, \$3.00. When five names reach us together, the prices are reduced to \$1.00 and \$2.20 a year, and to the sender of a \$5.00 club we mail a free copy of either **The New Arithmetic** or **Eaton's 100 Lessons in Business**; and to the sender of an \$11.00 club we mail both books. This is a special offer. *Back numbers supplied.*

ST. MARY'S, ONT., MAY 28TH, 1887.

Frank Wheeler,

DEAR SIR,—I am instructed by the Collegiate Institute Board of Trustees to inform you that the Steam Heating apparatus put in our Institute Building by you last December has provided highly satisfactory, both as regards the effective way in which the building is heated, and the manner in which the work was executed by you. The teachers and pupils no longer complain of cold rooms, or an unequal distribution of heat, but enjoy the comfort of well-warmed and more equally heated apartments.

Yours very truly,

(Signed) A. CARMAN,

Secretary, St. Mary's Collegiate Institute Board.
