ETHNOLOGICAL.—The language of the Bosjesmans is supposed to be a dialect of Bosh.

THE NEAREST APPROACH TO THE MILLENIUM.—If we would only love others one-half so much as we love ourselves, what a happy world it would be!

MANY seek solace for their troubles in the gay French capital. They think the best plaster for their wounds is a plaster of Paris.

REMEMBER.—Never listen to an infamous story handed you by a person who is known to be an enemy to the person he is defaming.

PASSION.—When the heart is still agitated by the remains of a passion, we are more ready to receive a new one than when we are entirely cured.

VANITY.—There is no vice or folly that requires so much nicety and skill to manage as vanity; nor any which by ill management makes so contemptible a figure.

CUNNING.—The greatest of all cunning is to appear blind to the snares laid for us; men being never so easily deceived as when they are endeavoring to deceive others.

WHY THE YANKEES CANNOT CATCH THE 'ALABAMA.'—A leading spiritualist in Boston says, that Captain Semmes, of the 'Alabama,' is a medium of extraordinary endowments, and that he has been guided in his work of destruction by the spirit of the infamous pirate Gibb, who was hanged some forty years since, and who still retains the most malignant hatred of the Yankees.

TO PARENTS.

'Provoke not your children to anger, least they be discouraged.' Col. 3. 21. Yes, parents, when you turn the innocent laugh of your little ones into sighs—when by your sour prudery you have converted all the honey of their nature into vinegar...

How many a father and mother have provoked their children to anger time and again by dealing falsely with them, by making the parental yoke too heavy to be borne; and then when their children grow up to be disobedient young men and women, they murmur against God because he hath given them such children, and because they have to drink so profusely of the cup of bitterness.

Oh! parents, beware how you train your children. Right is right, and you should perform your duty towards your children, and then you can expect them to perform their duty towards you. Remember it is under God that you have authority over them, and you should train them well for eternity; allow your children plenty of innocent recreation, and deny them all sinful amusements.

Look more to the welfare of their immortal souls, and to the glory of God, than to your own worldly interests. Look more to the Lord for assistance and 'No good thing will He withhold

from them that walk uprightly.'—Christian Guardian.

THE SENSATION NOVEL.—Clara.—'Yes dear, I've got the last one down, and it's perfectly delicious. A man marries his grandmother—fourteen persons are poisoned by a young and beautiful girl—forgeries by the dozen—robberies, hangings; in fact full of delightful horrors!'

THE WAYS OF LIFE. The e's a right way, and there's a left way, and there is, also, a middle way. The latter course is apparently the most followed, for meet a dozen people in the course of the day, and the chances are that eleven out of the twelve will, if you ask them, 'Well, how are you getting on?' instantly reply, 'Oh, middling, thank you.' There are, one would infer, more middlemen in the world than any others.

QUEER QUERIES.—Ought a pair of trousers which have been obtained on credit to be legally regarded as breeches of trust?—When a man happens to speak with a quiver in his voice, is it right to think his speech an arrow-minded one?—Would a promissory note, which is made payable at sight, be a legal tender to an inmate of a blind asylum?

A young lady, of sixteen summers, lately arrived at Louisville, who had served eighteen months in the Federal army, been connected with seven different regiments, participated in several engagements, been seriously wounded twice, and had been discovered and mustered out of the service eight times. She is a Canadian by birth, and says she is bound to uphold the 'Union.

The Best and Cheapest Machines in the world, at New York City Prices.

The undersigned having the General Agency for the sale of the Genuine Singer Sewing Machines, take great pleasure in informing the public of Canada that they have opened offices in Toronto, at No. 34, King Street East, and in the city of Hamilton, on the corner of King and Hughson streets, where they will keep on hand, at all times, a full assortment of the Genuine Singer Sewing Machines, and will sell the same, at the same prices, as at the manufactory in New York, thus bringing the machines, which have proved themselves, after a test of fifteen years, to be the best, and most reliable machines in every respect, that has ever been made within the reach of all. The Genuine Singer Machines are celebrated for being more simple to operate, less liable to get out of order, do better and more durable than any other.

The celebrity of the Genuine Singer Machines, and the reputation which they have acquired over all others, for superiority, has led certain manufacturers of Sewing Machines, in Canada, to make a bogus imitation of the Singer No. 2 Machines, and which are palmed off upon the public for Singer Machines, but in value, when compared with the Genuine Singer Imperial, No. 2 Machines, stand in about the same position as bogus coin does to genuine gold.

Look out for imposters, and dealers in bogus machines, who will not only tell you the bogus are quite equal to the Genuine, but superior, and that it is your duty to buy Home Manufacturers. But if you want a Machine that will prove truly reliable, and really worth what you pay for it, buy the Genuine Singer, and you will not be disappointed.

The Genuine Singer, Lector A Machine is the best Machine made for family use.

The Genuine Singer, Imperial No. 2, is the best Machine made for shoemaking, &c.

The Genuine Singer, No. 2, is the best Machine made for tailoring.
