

"The Greatest Service Boot in the World."

The "Strathcona" Boot

is the finest type of service boot for the Soldier, the Civil Engineer and the Surveyor.

First made by the Slater Shoe Company, for the Strathcona Horse, the boot has become the standard footwear for hard service with the outdoor professions.

Made of selected French Calfskin, tanned by special process, which makes the leather pliable, fine viscolized leather sole—every detail finished—and the Slater Shoe Company's name stamped on every boot.

Major Costigan, R.C.A., said: "I wore the Slater Strathcona Boot when marching out of Quebec, I have worn them almost continuously since. At Van Wyck's Vlet where we had three days' continuous rain, I was in water within an inch of the top of the legs, yet my feet were perfectly dry. I consider them the best service boot I have ever seen."
